FACTS

20. On or about November 22, 2019, Plaintiff signed an employment Contract with St. Luke's Episcopal Church, Vestry, and St Luke's Episcopal School Board of Trustees following a lengthy search process for the position of Head of School. In signing the contract the parties put the terms of the agreement in writing. The Plaintiff was hired to serve as Head of School (Head Master) under the supervision of the St. Luke's Episcopal Church and School Board of Trustees, effective on July 1, 2020, and to continue until June 30, 2025. The Defendants serving on the Board of Trustees and a party to the contract, were tasked with the annual evaluation of the Plaintiff and the supervisory implementation of the approved budget, ensuring compliance with the teachings of the Episcopal Church, and the operation and maintenance of the school facilities as well as maintaining the health and safety of the students and faculty attending school.
20. In said Contract Agreement, the Defendants agreed that the Plaintiff would receive an annual salary of \$200,000.00 for the 2020/2021 school years. The Defendants also agreed that the Plaintiff was to receive a 2% increase in salary each year, or increase equal to the average percentage increase provided generally to the faculty for the same school year, whichever is higher.
21. The Defendants also agreed in the employment Contract that the school shall pay the premium for family health insurance coverage not to exceed \$1,540.00 per month during

any year of employment for an annual fee of (\$18,480) eighteen thousand four hundred eighty dollars.

22. The Defendants agreed under the Plaintiff's written Employment Contract that Plaintiff's natural or adopted children, who are members of the Plaintiff's household with principal residence in the Plaintiff's household, who are accepted and attend the school, shall receive (100%) tuition remission for each year they attend the school during the terms of the Agreement.
23. The Plaintiff's employment contract also stated that the Defendant school would reimburse the Plaintiff for life insurance premiums not to exceed \$350.00 per quarter, for an annual fee of (\$1400) fourteen hundred dollars. The Defendants breached this agreement.
24. The Plaintiff's employment contract stated that the Defendant school and Board of Trustees would pay the Plaintiff's monthly membership dues up to \$450.00 per month at a club of Plaintiff's choice; for an annual fee of (\$5400) five thousand four hundred dollars. The Defendants Breached this agreement.
25. The Plaintiff's employment contract stated that the Plaintiff, Employee may participate in the School's retirement plan in accordance with the terms, conditions, and requirements of the plan and the Defendants would provide a percentage match to the plan. The Defendants breached this agreement with the Plaintiff at the time of wrongful termination of the Plaintiff.
26. The Plaintiff's employment contract also stated that the school would pay Plaintiff \$15,000.00 in relocation expenses for which the Defendants breached and did not assist in the relocation of the Plaintiff following wrongful termination.
27. During Plaintiff's time as Head of School, Plaintiff officially stated to members of the Executive Committee, the Finance Committee, the Facilities Committee, the Rector, the School Board, and the complete Board of Trustees in scheduled board meetings, that

many of the financial, ethical, and establishment rules and/or policies of the school, were not consistent with the teachings of the Episcopal Church, were not consistent with the advertisement and inducements contained there-in to which the Plaintiff applied for the Head of School position. Further, some unwritten expectations were unenforceable and were not listed in the handbook provided to parents and students for the year

28. During Plaintiff's time as Head of School, Plaintiff officially stated to members of the Executive Committee, the Finance Committee, the Facilities Committee, the Rector, the School Board, and the complete Board of Trustees in scheduled board meetings, that many of the financial, ethical, and establishment rules and/or policies of the school were not consistent with the safety and health codes of the City of Mobile, County of Mobile or the State of Alabama. The Plaintiff asserted that the state of the facilities on the lower (Japonica) campus, were a cause for health and safety concerns for the children and faculty working and attending classes on said campus. Plaintiff felt these issues needed to be addressed prior to someone being injured or having a significant health issue as a result of non-functional fire alarm system, the absence of sprinklers, the leaking roofs, and the mold circulating in the classrooms and HVAC system. However, these issues were not addressed by the Board of Trustees, the School or Church. Plaintiff asserted that these issues were inconsistent with the expectations of a safe and healthy environment for the students enrolled in the school daycare, or the parents who were contractually obligated to pay tuition to an institution that was neglecting the health and safety of its students. Further, some of these issues were also listed in the handbook provided to parents and students for the year indicating that the school did provide a healthy and safe facility for the children in attendance.
29. The Defendants attempted to enforce unwritten rules and/or policies that were in violation of, or inconsistent with the teachings of the Episcopal Church. Plaintiff voiced concerns regarding these issues and further voiced many health and safety concerns within the school that affected the children and school community. In addition, the Board of Trustee Members including Defendant Brian Knotts, were aware of many other issues

such as problems with the Alabama High School Athletic Association and students enrolled in the School Athletic programs.

30. The Defendants required a computer program implemented within the school to be installed on all devices of students which resulted in the School NETREF program taking over the camera of these devices without parental consent and without informing parents and students of the capabilities of the program.
31. The Defendants had adverse reactions to the Plaintiff implementing and encouraging the teachings and general inclusion of any/all groups consistent with the teachings of the Episcopal Church. In such, that all minorities were welcomed and encouraged to enroll in the school and participate in its activities. The Defendants displayed open discrimination toward minorities attending the school including statements made by Board of Trustee members that the Plaintiff encouraged the "wrong kind" of minorities to enroll in the school.
32. Plaintiff created the position of Director of Program Operations for the purpose of making sure that there was someone at the administrative level who was focused on the safety, security, maintenance, and repair of the various issues within the facility that Plaintiff asserts, had been neglected by the Board of Trustees for years.
33. Plaintiff made statements and voiced concerns as asserted in paragraph 27-32 hereinabove, to and in the presence of, members of the Facilities Committee, including Roy Price, Mitch Crumpton, Windy Bitzer, Elizabeth Boone, Terry Hold, Kim Dolbear, Brian Knotts and Michelle Bentley and to the other Defendants in executive board meetings of the Board of Trustees, in School Board meetings, and to the Rector, Defendant Jamie McElroy.
34. Plaintiff voiced concerns to the Board of Trustees, and in particular the Facilities Committee members on more than one occasion related to serious safety issues that

included the absence of a functional Fire Safety System on the lower (Japonica) campus. The current Fire Safety system is not in working order and in further testing, the system has failed to function properly and alert faculty and students of impending smoke and fire hazards for years.

35. The cost to replace the Fire Safety System on the lower (Japonica) campus was estimated to be upwards of \$150,000. The Board of Trustee members were aware of the cost and the severity of the issues at the lower (Japonica) campus,
36. The Board of Trustees did not approve replacement or repair of the Fire Safety System and failed to notify the Mobile Fire Marshall of the failure of the Fire Safety System at that location.
37. Plaintiff informed the facilities committee of the Board of Trustees about mold in the classrooms, closets and HVAC system on the lower (Japonica) campus of St. Luke's Episcopal School.
38. Plaintiff informed the Board of Trustees' members along with the Facilities Committee of the need to address the leaking roofs and the need to address moisture problems that such leaks created at the lower (Japonica) campus of St. Luke's Episcopal School.
39. The Defendants, members of the Facilities Committee of the Board of Trustees consistently deferred the repairs and replacement of the fire safety system due to significant costs.
40. Defendants on the Facilities Committee of the Board of Trustees consistently deferred the removal and repairs necessary to eradicate the mold problems on the lower (Japonica) Campus and knowingly allowed the health and safety of the children and faculty to remain at issue.
41. The Defendants on the Facilities Committee of the Board of Trustees and the full board

of trustees avoided testing of the mold to determine what varieties of mold were present in the closets, classrooms, and HVAC system of the lower (Japonica) campus of the school based on costs associated with addressing any specific types of mold (as in black mold) that were found and identified to exist. Pursuant to Board policy the Facilities Committee shall be responsible for reviewing and performing an annual inspection of school facilities, prioritizing and making recommendations for maintenance and/or improvements to the school's physical plant. Any capital improvement not necessary to the day to day operations of the school must be approved by the Finance Committee, subject to Board approval. Any maintenance item outside those that are ordinary and customary shall be reported to the Finance Chair and Treasurer.

42. Plaintiff expressed ongoing concerns about Murray Hall and Carpenter Hall on the lower (Japonica) Campus which required substantial repairs and renovations, however the Defendants and Facilities Committee members of the Board of Trustees ignored the requests for the funds to assess and make the necessary repairs to these buildings which young children and early education students were assigned.
43. Plaintiff made statements and voiced concerns about the financial needs of the school as asserted in paragraphs 27-42 hereinabove, to and in the presence of members of the Facilities Committee, to the other Board of Trustee Defendants in finance and executive meetings and in regular Board of Trustee meetings. At all times related to these claims the Defendants were voting members of the Board of Trustees and had a fiduciary duty to provide for the health and safety of the children on both the upper and lower campus of the School.
44. Plaintiff's voiced concerns and identified issues regarding the Board of Trustees' lack of compliance with the Board of Trustees' own policy were never acted on by the Defendants. In addition to the health and safety issues as well as increasing minority enrollment, other issues included Board of Trustee members' spouses working within St. Luke's Episcopal School while also receiving a tuition break. Defendant Mitch Crumpton, Board of Trustee member and member of the Facilities Committee, has

experienced financial gain from his position in that his spouse works for the school allowing the family to received a significant tuition break; while the School facilities safety and security issues exposed the students on the lower (Japonica) campus to leaky roofs, mold, and the absence of any functional fire safety alarm system.

45. Defendant Michelle Bentley, a Finance Committee and Facilities Committee Board member, also has a spouse employed by the school. Although her husband was initially employed through another employer under contract to serve as the athletic trainer; he was later employed as a teacher at the School as approved by the Board of Trustees. Therefore, like Mitch Crumpton, who had student athletes at the school; Michelle Bentley also had a student athlete.
46. Defendants Michelle Bentley and Mitch Crumpton along with Terry Holt, Jim Rossler, Brian Knotts, and Elizabeth Boone, who all served on the Facilities Committee all had student athletes enrolled and competed in the athletic programs at the school. Each Defendant had a vested interest in Alabama High School Athletic Compliance yet the main focus in the Facilities Committee of the Board of Trustees focused on athletic facilities rather than the facilities that affected the health and safety of the lower (Japonica) campus students not involved in middle and high school athletics.
47. The Defendants on the Facilities Committee of the Board of Trustees were not the only Board of Trustees' members with children involved in athletics at St. Luke's Episcopal School. In addition, some members of the Facilities Committee also served on the Finance Committee. Defendant Brian Knotts and Michelle Bentley served on both the Finance and Facilities Committees and Defendant Jaye Patterson, Fran Garrett, Jake Baker, Robin Roberts, and Kim Dolbear also served on committees and were parents to student athletes enrolled and competing at St. Luke's Episcopal School.
48. The Board of Trustees select and choose replacements for open seats on the Board of

Trustees, therefore the financial benefits conveyed to Defendant Mitch Cumpton and his family, as well as the financial benefits conveyed to Defendant Michelle Bentley and her family, were not transparent nor were they scrutinized.

49. Plaintiff asserts this type of favorable treatment to only a few chosen, select students is a discriminatory act against the rest of the students enrolled in the school that are not. The few chosen, select friends of the Board of Trustees and do not receive large amounts of financial assistance or support.

50. Plaintiff asserts that this discriminatory practice continues today, and the acting Head of School, Suzy Banks is aware of the discriminatory practice and has continued to accept this practice without question to the Board of Trustees; despite there being no written guidelines for the implementation of this Board of Trustee habit. Defendant Suzy Banks has met with the parents of some students and has openly discussed her knowledge of said financial discriminatory practices but has made no effort to change them.

51. Plaintiff made statements and voiced concerns as asserted in paragraphs 27-50 hereinabove, to and in the presence of members of the Board of Trustees Executive Committee, Finance Committee, Facilities Committee, and to other Defendants in Board of Trustee meetings.

52. Plaintiff raised the issue of a substantial violation of Board of Trustee policy related to the employment of Board of Trustees members' spouses to the Defendants on the Executive Committee, but the Defendants never permitted this issue to be addressed with the full Board of Trustees at a board meeting.

53. Plaintiff identified concerns relating to the overall safety and security of the school as well as other financial and budget issues including the Board of Trustees granting long term financial assistance to families of athletes and friends of Board of Trustee members in perpetuity (which still continues today) without any policy or procedure for such financial exceptions to school fees, tuition, and expenses, affecting the overall

financial well-being of the School.

54. Plaintiff asserted to Defendants that the granting of long term financial assistance to family members of talented athletes, as well as the granting of financial assistance, the consented exceptions to enforcing contractual agreements, along with the granting of financial assistance to friends of Board of Trustee members without any type of objective requirements, was financially detrimental to the School and its future.
55. Plaintiff asserted to Defendants and Board of Trustees that continuing these frivolous financial actions require other students to pay elevated tuition to cover said financial assistance and scholarships given to families of athletes and friends of Board of Trustees members.
56. The use of terminology by the Board of Trustees to include conveyance of financial assistance to siblings of athletes rather than scholarship awards to athletes, may violate state rules for participation under the Alabama High School Athletic Association.
57. Since the wrongful termination of the Plaintiff, these unscrutinized financial assistance practices of the Board of Trustees, the acting Head of School, and the Administration Department continues and has resulted in an \$800 per student tuition increase for the 2023 school year.
58. Plaintiff made statements and voiced concerns as asserted in paragraph 27-57 hereinabove, to and in the presence of members of the Finance Committee, and to other Defendants in executive meetings of the School Board, and in regular Board of Trustee meetings about his concerns regarding practices by the Board of Trustees that may be violations of the accreditation standards of SACS accrediting body for the 2024 accreditation renewal.
59. Plaintiff made statements and voiced concerns related to safety, health, and well being of

the students. Plaintiff also asserted concerns related to finances, facilities, athletics, tuition, as well as the qualifications of faculty and staff. Within discussions with the Board of Trustees regarding the issues of the school budget, Plaintiff proposed plans to be implemented to address the facilities safety issues providing a long term solution to the problem. The plan proposed by the Plaintiff included an agreement between the Vestry, Church and the School, to consolidate all grades on the upper (University) campus, and allow all students from the lower (Japonica) campus be moved to the University Campus until the issues at the lower (Japonica) campus were repaired and resolved. This proposal was presented to the Defendants Board of Trustees by the Plaintiff.

60. The Plaintiff's plan to relocate the children from the lower (Japonica) campus to the upper (University) campus to allow the Board and Church to rectify the health and safety concerns for the children on the lower (Japonica) campus included both suggestions and drawings outlining practical ways to remove the students from the lower (Japonica) campus and protect them from further health and safety risks associated with the issues on the lower (Japonica) campus and afford the School an opportunity for further development, and make needed repairs and renovations to structures on the lower (Japonica) campus.
61. The Plaintiff presented his plan for the consolidation at a meeting with the Board of Trustees. After the presentation, Defendant and Board of Trustees member Terry Holt angrily declared that the idea was "stupid," however, Defendant Terry Holt offered no proposal or suggestion for any other immediate and long term alternatives to the issues with the lower (Japonica) campus and showed no interest in hearing from any other members of the Board of Trustees on said issue.
62. Defendants and members of the Board of Trustees followed the statements of Defendant Terry Holt, and refused to discuss the Plaintiff's plan to consolidate the upper (University) campus and the lower (Japonica) campus, although allowing the students to continue attending classes on the lower (Japonica) campus posed vast health and safety risks to young children.

63. Plaintiff, in fulfilling his duties as Head of School, worked with the Defendants on the Finance Committee to prepare and presented the school budget to the Board of Trustees Defendants.
64. Pursuant to Board of Trustee Policy, the Finance Committee shall, in conjunction with the Head of school, prepare a detailed budget for the succeeding fiscal year to be presented to the Board on or before its regular September meeting for Board approval. The Board of Trustees passed the proposed budget by the Finance Committee of the Board for the school year 2021-2022, 2022-2023 under the tenure of the Plaintiff.
65. The Defendants Board of Trustees, after passing the budget, used the school's financial needs for repairs, renovations, replacement and safety that were never approved by the Board of Trustees after the budget was presented by the finance committee and the Plaintiff; to complain and blame the Plaintiff for the budget constraints, the safety issues and the financial problems of the school.
66. The Defendant Board of Trustees had prior detailed knowledge of budget needs and facility infrastructure needs, and the matters for which they complained were not permitted to be considered by the entire Board for inclusion in the Budget.
67. The Defendants Board of Trustees' policy indicates that the governing body of the School shall be the Board of Trustees (the "Board") with primary responsibilities to determine the character of the school, establish policy, assure the school's financial stability, and to effectively ensure that the Head of School implements the policies it establishes.
68. All properties of St Luke's Episcopal School are held in the name of the Episcopal The Diocese of the Central Gulf Coast, and the Vestry of St. Luke's Episcopal Church (the "Vestry"), acting for the Church, exercises immediate control over them.
69. The Defendants, Board of Trustees includes a member of the Vestry as a voting board member and periodically, the Board will report its activities to the Vestry.

70. The Defendants' Board Policies indicate that the Board of Trustees shall consist of twenty-one (21) voting members, at least one-third of whom shall be active members in good standing in a parish of the Diocese of the Central Gulf Coast, and shall be composed as follows:
- [i] Two [2] members who shall be appointed by the Vestry ["Vestry representatives"];
 - [ii] Eighteen [18] members-at-large, ("at-large representatives"); and
 - [iii] The Rector of the Church.
- In addition to the foregoing, the Head of School shall serve a non-voting member of the Board.
71. In addition, the Bishop of the Episcopal Diocese of the Central Gulf Coast serves as an ex-officio member of the Board. Further, former Board Chairs in good standing may also serve as non-voting, ex-officio members of the Board upon invitation from the Executive Committee.
72. The Defendants, Board of Trustees failed to follow any policy or procedure to address the need for repairs, renovations, replacements, and safety issues; but falsely asserted the Plaintiff forced the board members to approve a budget that the school financially could not meet.
73. The Defendants, St. Luke's School Board members, Jake Baker, Windy Bitzer, Elizabeth Boone, Mitch Cumpton, Dan Moore, Kim Delbear, Shane Hale, Terry Holt, Amber Martenstein, Elizabeth Palmer-Hill, Jaye B. Patterson, David Poole, Roy Price, Robin Roberts, Lloyd Roebuck, Jim Rossler (non-voting member), Brian Trammell, Bob Will, Tara Lockett and Jamie McElroy voted to pass the Budget. The Plaintiff was a non-voting member of the Board.
74. Plaintiff made statements and voiced concerns to the Defendant Board of Trustees about the manner in which specific faculty members bullied and harassed students based on

sexual orientation, gender, race and religious beliefs that were inconsistent with the principal teachings of the Episcopal Church for which the Board of Trustees served.

75. Defendants made verbal statements outside of board meetings to faculty members and school family members and during board meetings that the Plaintiff was seeking to bring too many of those minorities to the school.
76. Plaintiff voiced concerns about the finances of the school and the discounts in tuition to the parents of school board members who had spouses that worked at the St Luke's school in violation of board policy; and athletes and their siblings, as well as friends of board of trustee members that discriminate against minority student applicants that did not participate in athletics.
77. Plaintiff voiced concerns that athletics was not the focus under the mission of the school, yet Board of Trustee members ignored the mission of the school.
78. The Mission of St Luke's Episcopal School is as follows:
St. Luke's Episcopal School (the "School") is an institution sponsored by St. Luke's Episcopal Church of Mobile, Alabama (the "Church") and is an integral part of the Church. The mission and philosophy of the School are as follows and the same may be amended from time to time as herein elsewhere provided for amendment of these Bylaws. The purpose of the School is to provide a sound preparation for higher education and the rest of life by providing quality mental and spiritual training. Regular worship experiences, extracurricular activities, and a desirable atmosphere with emphasis on such traits as honesty, courage, reverence, self-discipline, and service to others combine to provide an environment encouraging the growth of the whole person. Learning is a lifetime process. Growth in learning is unique to each child. Children learn through a variety of instructional methods and through the modeling of the behaviors of those who are important to them. They must learn to view both success and disappointment as opportunities for growth rather than as measures of their worth.

The unique role of the School is to prepare students in the context of a Christian community of love and concern to achieve academically, to develop moral values, and to interact in a socially acceptable manner. The School has a responsibility to this community to provide properly trained and experienced teachers and staff who demonstrate genuine love and respect for children and who are flexible in using a variety of materials and methods in meeting the individual needs of those children. The specific objectives of the School are to provide a program and an atmosphere in which a student may develop the following:

- an interest in learning;-
- a positive self-concept and a desire to perform to the best of his or her ability; -
- the academic and spiritual training needed for further education;
- high ethical values; and -
- the ideals of physical fitness and sportsmanship.

79. Plaintiff voiced concerns over NETREF, a computer program that the School Board approved and required the students to install on all devices that were to be used by the students in the school setting. The program could access the student's camera on any device, at any time, and take photos. The Program violated FERPA by allowing a third-party access to students' grades and records within the school setting.
80. The Plaintiff voiced concerns that the Defendants put the NETREF Program in place without presenting the program to parents, and the School required the program to be installed on technology devices (ipads, phones, laptops, and other computers) that were not school property and belonged to the students and/or their parents.
81. The Defendants failed to communicate to Parents regarding the NETREF program, and the parents of students were not presented with any releases. The NETREF program invaded the privacy of the students and collected screen shots and data from the student's devices while in use.
82. The NETREF program created privacy issues for students and parents of St Luke's

DOCUMENT 2

Episcopal School families, by allowing the NETREF program to access the cameras of the devices in the possession of the students; while they were working from home on projects and course work in their bedrooms, or working from a table in their homes.

83. The NETREF program could also record and track financial information if on a screen at the time the camera was activated by the NETREF Program.
84. The Plaintiff voiced concerns about the NETREF programs ability to capture and potentially capture students who may have been making online purchases through amazon etc., and were unknowingly allowing the data and information collected by the program to be stored for the use of the school. This information was not provided to the parents, and no security information was disclosed to the parents related to their children enrolled as students of the School. Ultimately, the program and contract were to be canceled and removed from all devices in the school.
85. The data and information collected from the program, which was property of the parents and students of the school, was not disclosed. The Defendants Board of Trustees, including Defendant Brian Knotts, were fully aware of the issues with NETREF, made unilateral decisions about property that did not belong to the school and did not consult parents or even inform parents of the issues related to privacy violations and/or FERPA violations related to this particular program and software.
86. The Defendants Board of Trustee members failure to notify parents of implementation of the program and the unilateral decision to require students to install the programs, circumvented the parents entirely in this particular aspect of the educational process.
87. The Plaintiff explained to the Board of Trustees that the NETREF program allowed the school to obtain any information related to any type of search history, credit card, and bank information.
88. The Plaintiff also informed the Board of Trustees that the failure to notify parents and

obtain consent on devices that the school did not own, then to potentially collect permanent information from the computers by activation of the camera for screenshots, violates the Schools authority to search student computers improperly.

89. The Plaintiff asserted to the Board of Trustees that the schools ability to access screenshots of the devices and monitor the activity of the students at times outside the schools purview and without parent consent was wrong.
90. The Plaintiff requested the parents have access to the data that had been collected on their respective children, however, the release of that information was not provided to the parents nor authorized to be provided by the Board of Trustees.
91. Plaintiff voiced concerns to the Defendants, Board of Trustees members, about the lack of communication between the School Board, parents and students numerous times over the course of his tenure as head of school.
92. The Defendants, Board of Trustees members, covered up and repeatedly failed to report infractions related to student athletes participation, financial distributions, and financial assistance.
93. The Defendant Board of Trustees members having children participating in athletics at the School, had a vested interest in not reporting the infractions and continuing to permit violations of the rules to enable the School to obtain success in athletics to the benefit of their own student athletes.
94. The Defendant Board members failed to disclose improper conduct known to them related to improper application of financial aid to members of student athlete families and relocation of student athletes after being initially approved by the AHSAA.
95. Defendants, Members of the Board of Trustees, including Defendants Tara Lockett and Brian Knotts conducted and attended a clandestine meeting following the wrongful

termination of the Plaintiff in an effort to collect information related to the violations of AHSAA policy for student athletes.

96. Defendants Tara Lockett and Brian Knotts were in attendance in the meeting described in paragraph 95 and were aware of potential AHSAA financial assistance and eligibility violations and failed to self-report the violations to the AHSAA.
97. Defendants Tara Lockett and Brian Knotts deliberately and in spite of their obligation to comply with AHSAA rules and requirements to self-report violation incidents, concealed the violations or failed to report the infractions.
98. Defendants Tara Lockett and Brian Knotts conducted a clandestine meeting including Board Members Michelle Bentley, acting Head of School, Suzy Banks, Athletic Director, Meredith Donald, and other administrators and faculty members, attempting to identify reasons to assert that any such conduct was attributed to the Plaintiff, in order to assert he was terminated for cause.
99. Plaintiff was not present in this meeting and the meeting was conducted after he was wrongfully terminated by the Board of Trustees.
100. Plaintiff terminated a faculty member based on the statements of eye witnesses including students present in the classroom when a faculty member made inappropriate and discriminatory statements inconsistent with the teachings of the Episcopal Church that were publicly propounded to a student in the class. The conduct included discriminatory statements by a faculty member that were directed at the student's gender, sexual orientation, and were isolating and harmful to the student and in addition, violated the rights of the student to be safe from physical and verbal harm in the school's educational setting.
101. Plaintiff and administrative team member Doug Estle, complied with the student handbook in relation to the high school prom and dress code for the school during the

prom. Plaintiff and the administrative team member Doug Estle also complied with the students' personal grooming rules and student dress code modifications that were made by the School Board.

102. Defendants Board of Trustees school policy modifications to dress code were made by the School board during Plaintiff's tenure as head of school.
103. Defendants Board of Trustees members, attempted mid-year to create new rules and demand enforcement of a different set of school rules and dress code policies that were not published to students and families. The Plaintiff voiced his concerns and objections to the implementation of rules and policies that students and families were not given notice about.
104. Following the 2022 St.Luke's Episcopal high school prom, Defendants and members of the Board of Trustees made complaints that were brought to the attention of the administrative team attending the Prom and enforcing the code of conduct and the written policies of the Defendant School. Defendant Board Members made statements including that the Plaintiff was permitting too many of the "wrong kind of minorities" to be enrolled at St.Luke's Episcopal School. These statements by Defendant Board Members were discriminatory in nature and not consistent with the teachings of the Episcopal Church and violated the same policies that were asserted by the Plaintiff to the Defendant and Rector Jamie McElroy and Board of Trustee members at earlier meetings. At all times herein, St Luke's is an Episcopal School owned by St. Luke's Episcopal Church.
105. ARTICLE NINE of the Board of Trustees Policies at St. Luke's Episcopal School asserts a NON-DISCRIMINATION POLICY, stating, the School does not discriminate on the basis of race, color, religion, gender, or national/ethnic origin with regard to admissions procedures, scholarship and loan programs, or in any of the athletic or other school administered curricular programs. The School does not discriminate on the basis of race, color, religion, gender, disability, national/ethnic origin, or age in any of its policies or administration of those policies pertaining to hiring or employment practices. The

Defendants failed to comply with this policy.

106. In compliance with the teachings of the Church and school Board of Trustee policies, the Plaintiff defended the rights of students to be safe in the school setting and to not be bullied, harassed, and discriminated against regardless of gender, ethnicity, sexual orientation and religious beliefs. Plaintiff defended "the kind of minorities" that Defendants and some members of the Board of Trustees asserted, were not welcome at the Episcopal School. The Plaintiff was wrongfully terminated based in part on this action.
107. During Plaintiff's time as Head of School, Plaintiff officially made statements and voiced concerns to the Defendants about many financial, ethical, and policy violations as well as health and safety concerns. These concerns were voiced in the presence of members of the executive committee and to Defendants in executive meetings of the School Board, in School Board meetings and in meetings with the Board of Trustees.
108. Plaintiff's statements to the Defendants related to the issues identified herein above included the existence of mold in the air ventilation system and ceilings of lower school campus classrooms associated with the K-2 and K-3 childcare programs. Plaintiff believed funds needed to be allocated to repair or replace the roof, ventilation systems, and building structures in order to comply with city, county, and state regulations.
109. After receiving estimates related to the repairs and/or replacement of the lower campus Fire Safety System, the Defendants precluded further discussions about the water damaged lower campus classrooms and buildings where the existence of hazardous mold existed. The Defendants failed to make requested monetary allocations to correct the mold and hazardous materials issues.
110. The Defendants continued to refuse to take action to remove and repair the ventilation system, leaking roofs, water damaged classrooms despite having been provided photos, mold reports, visual inspection of damages, and reports of the existence of the mold and

hazardous substances in the air ventilation system of the lower (Japonica) campus classrooms. The Defendants' failure to acknowledge and repair the issues impacted many vulnerable young children. St. Luke's Episcopal School demanded contractual payments from the parents of these children to provide for their safety and care, but made no effort to make the necessary repairs to ensure the children's well-being.

111. The Defendants had a duty to all students enrolled at the School, including the children of the Plaintiff, to ensure their safety and wellbeing by maintaining a working fire alarm system, to ensure that mold in the HVAC system was treated and removed properly, to repair leaking roofs and damaged buildings from years of neglect, and also to ensure the children of the Plaintiff and all other children attending St. Luke's Episcopal School in Mobile, Alabama were not placed in harm's way as a result of hazardous and harmful conditions at the lower (Japonica) Campus. In signing the contract with each of the parents that enrolled their children at the School, the School had a duty to each of these parents under the school parent student handbook. These Defendants breached the agreement with the parents of all students on the lower (Japonica) campus including the Plaintiff. The Defendants breached their contractual agreement with the Plaintiff as well as their contractual obligations to all parents and children of the School community.
112. Plaintiff stated to Executive Committee members of the Board, other members of the Board of Trustees, and to Defendant Rev. Jamie McElroy, Rector, that he believed the School Board repeatedly violated Board policy related to recruitment and scholarships programs. Plaintiff voiced to Defendant McElroy that he felt the recruitment and scholarship program policies should be reviewed, especially in the case of athletes and in providing financial assistance in perpetuity to younger siblings of athletes in an effort to encourage an athletic member of the family to attend the School.
113. Plaintiff voiced concerns to the Board of Trustees that these discriminatory School Board policies to extend financial assistance and allowances may have been violations of Alabama High School Athletic Association Policies. Despite the concerns presented by the Plaintiff as the Headmaster, Defendants failed to take the concerns and

recommendations under advisement.

114. Defendants took no action on any issue identified hereinabove when presented by the Plaintiff. Defendant Bishop Russell Kendrick was aware of the issues with the Board and the inconsistent policies the Defendant Board of Trustees was attempting to implement and took no action.
115. Plaintiff asserted that there had been a mismanagement of funds allocated to the school as approved in the budget by the Board of Trustees for payment of the schools financial and academic obligations. Defendants were angered by this assertion.
116. Plaintiff continued to report to the Board and voice his concerns about the health and safety of the children and students enrolled at the Defendant School. The issues that were continually voiced were known to the Defendants Board of Trustees, and no effort was made to correct these issues. After repeated requests for change, Plaintiff was placed on administrative leave and was subsequently terminated without notice of cause within 1 weeks from being placed on administrative leave. The Plaintiff received no reason or notice for being placed on administrative leave.
117. In the Contract Agreement, entered into knowingly by all parties, Section 6, (Termination), Subsection C, (By the School without Cause) states the following "The School shall have the right to terminate this Agreement "Without Cause" by giving the Employee notice of termination on or before the next calendar date of April 1 and upon the School paying to the Employee an amount equal to Employee's compensation remaining due until the same next calendar date of April 1 plus one complete year of Employee's compensation set forth on Exhibit A (except for moving expenses) hereto (the "Effective Date of Without Cause Termination"). Employee shall be obligated at the sole pleasure of the School to continue to fulfill his obligations under the terms of this Agreement until the same next calendar date of April 1. If the School decides that Employee shall continue to fulfill his obligations for longer than one (1) month for the such transitional purposes, then the payment of base salary under this Section 6 (c) shall

be paid in the normal course (as before the Effective Date of Without Cause Termination) with the balance due in the last month of Employee fulfilling said obligations under the terms of this Agreement at the pleasure of School.

118. On or about November 8, 2022, Plaintiff received a letter from Defendant Tara Lockett, Vice Chairman of the Board of Trustees, acting also as counsel for the School and Board of Trustees, stating that Plaintiff was being placed on administrative leave. Plaintiff was given no reason or explanation as to the Board of Trustees decision to place him on administrative leave and he was given no instructions on how to resolve any issue if any existed for the reason of being placed on administrative leave.
119. Further, Plaintiff was afforded no notice of any failure to comply with any Board of Trustee policy; Plaintiff was afforded no due process, nor was he given a hearing for any reason; as no reason was provided to the Plaintiff for being placed on administrative leave.
120. The Plaintiff was not afforded an opportunity to be heard as to any issue nor was he granted an opportunity to rectify any grievance prompting the Defendants Board of Trustees discussion and vote to place him on administrative leave.
121. On or about November 16, 2022, undersigned counsel and Defendant Tara Lockett, who at the time was acting as both a voting member and Vice Chairman of the Board of Trustees and legal counsel for the School engaged in communications to force Plaintiff to resign.
122. No Board member including Vice Chairman of the Board of Trustees, Defendant Tara Lockett, provided any reason for the necessity of placing the Plaintiff on administrative leave or for requesting his resignation and further no reasoning was provided by Defendants to the Plaintiff for termination of the Plaintiff.
123. Defendant Tara Lockett permitted Defendant Rev. Jamie McElroy, Rector, a Board

member to meet and communicate directly with the Plaintiff to encourage him to accept the terms of termination of employment which were not in compliance with the terms of the Plaintiff's contractual agreement nor were they based in fact with St. Luke's School Board, Board of Trustees or St. Luke's Episcopal Church.

124. Defendants sought exclusive control of the separation of the Plaintiff from his employment with the school in requiring Plaintiff to accept terms that would be unenforceable that gave no assurances of school board compliance and no definitive terms for payment.
125. Defendants knowingly violated and breached the contractual employment agreement with the Plaintiff.
126. Defendants Brian Knotts, Tara Lockett, and other Defendants, Board of Trustees members, provided misleading information to encourage an affirmative vote by the board to terminate the Plaintiff and remove him from his position.
127. The false information that was presented to Defendants Board of Trustees members included Plaintiff had interviewed and accepted other employment, that the Plaintiff mismanaged funds, and that he violated policies of the Board of Trustees.
128. Defendants Tara Lockett and Brian Knotts presented to the other Defendant Board Members that the Plaintiff had accepted another job, this misinformation was a false statement.
129. None of these assertions identified in 127 were presented to Plaintiff in the letter of termination from the Board of Trustees.
130. Plaintiff's Contractual Agreement with St Luke's Episcopal School stated that he was to serve as head of school (Head master) of St. Luke's Episcopal School beginning

November 19, 2022. The Contractual Agreement with the Plaintiff was to remain in effect until June 30, 2025.

131. Plaintiff, through undersigned counsel, and the School, through Defendant Tara Lockett, acting as Vice Chairman of the Board and as the Attorney for the Board of Trustees, attempted negotiations to resolve the attempts by the school to wrongfully terminate the Plaintiff through December 2, 2022; however, the Board of Trustees and School Board refused to negotiate in good faith, failed to honor the Contractual Agreement entered into by both parties in November, 2019, and additionally breached the contractual agreement by participating in libelous and slanderous statements to outside members of the community, parents of students enrolled at the School, teachers employed by the School and other School employees.
132. Defendants conducted a meeting shortly after terminating the Plaintiff without cause to collectively discuss the Plaintiff and attempt to identify a reason that could be asserted by the School Board Chair, Defendant Brian Knotts, in support of the termination of the Plaintiff.
133. On or about December 9, 2022, Defendant Brian Knotts, Chairman of the Board of Directors, sent a certified letter to the Plaintiff stating that the Board of Trustees had voted on December 8, 2022, to terminate his Employment Agreement with cause, however, Plaintiff received no documentation as to the cause of the termination, nor was any cause stated in the letter that was forwarded to the Plaintiff by Defendant Brian Knotts.
134. Defendants Brian Knotts, Mitch Cumpton and Roy Price had various discussions with non-board members and school family members regarding various issues with faculty members, administrative members and members of the athletic department. These discussions also included issues asserted regarding the cheerleading coach and issues the Plaintiff had previously made to the Board of Trustees including the harassing conduct of cheerleading coach De'Armon. These Defendants informed non-board members and

parents of students that the Head of School controlled the administrative running of the school and the Board could not do anything about the conduct of De'Armon.

135. Defendants Brian Knotts, Mitch Cumption and Roy Price claimed to parents of students that the Plaintiff controlled the administrative running of the school and the Board could not do anything about either of the named individuals.
136. Defendants having knowledge that these allegations and assertions were not true, continued to make libelous and slanderous comments about the Plaintiff to parents, faculty, administrators and members of the community; that were and are detrimental to the Plaintiff's reputation and character as an educator and administrator.
137. Due to the actions of the Defendants, the Plaintiff has been unable to secure employment and has suffered and continues to suffer irrevocable professional, emotional, and mental damage for which he is entitled to monetary reward of damages and other relief.
138. The Defendants took retaliatory action against the Plaintiff for opposing the Board of Trustees lack of action toward the reported safety and health related problems within the facility; for the Plaintiff's opposition of the contradictory Board of Trustee demands placed upon students and student activities; for the Plaintiff's opposition to the Board of Trustees the lack of consideration for the Teachings of the Episcopal Church, as well as other reports to the Board of Trustees including improper treatment of students; for the Plaintiff's opposition to the lack of adequate funding to the Fine Arts Department due to the disparaging funding to the Athletics Program. While all of the concerns and issues posed to the Board of Trustee by the Plaintiff were in the best interest of the school, its students, and were aligned with the teachings and belief of the Episcopal Church, the Plaintiff's attempt to address these concerns and rectify the issues; it also resulted in the adverse, retaliatory action of the Defendants to vote to terminate the Plaintiff in breach of contract and without cause.

THEREFORE, Plaintiff alleges the following claims against the Defendants jointly and individually:

COUNT I – WRONGFUL TERMINATION

139. Plaintiff realleges paragraphs one (1) through one hundred-twenty-eight (128) as if set forth fully herein.
140. Plaintiff adopts and realleges that the Defendants owed a duty to the Plaintiff to adhere to the Contractual Agreement drafted and proposed by their institution.
141. Section 6(b) of the Contractual Agreement states that “the “Employee” shall receive notice in writing if “Terminated With Cause,” as of effective of date of termination, all obligations of the School to the “Employee” are terminated and all rights previously owed to you are forfeited.”
142. Defendants’ failed to give cause for Termination, and were aware they failed to give cause.
143. The Plaintiff was put on administrative leave without cause or written notice of the reason for administrative leave.
144. The same Contractual Agreement states that if the “Employee” is “Terminated with no Cause,” the school agrees to pay salary to April 1 of the current year and one year of Employee’s compensation, plus other contractual obligations until April 1st of the next calendar year. Defendants terminated Plaintiff’s Employment Agreement as to prevent payment of funds for which they were contractually liable.
145. Plaintiff entered into a written contract with Defendants to be the Head of School at St. Luke’s Episcopal School for the term of July 1, 2020, to June 30, 2025; Defendants Terminated Plaintiff’s employment without cause, then refused to honor their contractual obligations under the employment agreement to the Plaintiff. Defendants breached the contract with the Plaintiff resulting in financial damages.

146. The Plaintiff was terminated as a retaliatory action by members of Defendants Board of Trustees for what was believed by some board members to be a liberal view of social norms at the school despite being consistent with the teachings of the Episcopal Church for inclusion.
147. The Plaintiff was terminated as a retaliatory action by members of Defendants Board of Trustees for what was believed by some members of the Board of Trustees to be actions that were deemed fiscally improper. The Plaintiff opposed a discussion that was had with members of the Board of Trustees where it was asserted that an insurance claim following a storm could save the school hundreds of thousands of dollars in repairs to the leaky roofs and mold infested classrooms on the lower campus at the school, despite the members of the Board of Trustees being completely aware of the pre-existing dilapidated conditions.
148. The Plaintiff was terminated as a retaliatory action by members of Defendants Board of Trustees for actions that were deemed inconsistent with the history and manner in which the St. Luke's Episcopal School Board of Trustees had historically wielded power and control over employees, students, and families on the campus of St. Luke's Episcopal School.
149. Plaintiff and his methods of administration were consistent with the teachings of the Episcopal Church; certain members of the Board of Trustees felt that the Plaintiff's actions were inconsistent with the procedure in which the Board of Trustees had historically governed St. Luke's Episcopal School, its students, and faculty.
150. The Plaintiff was terminated as a retaliatory action by members of Defendants Board of Trustees for what was believed by some members of the Board of Trustees to be actions that were deemed inconsistent with the history and manner in which the St. Luke's Episcopal School Board of Trustees had not previously protected nor supported diversity in students enrolled with the school or participating in school activities. These included

diversities in gender, race, and sexual orientation. The Board of Trustees also attempted to impose their views on diversity and preclusion of diversified groups on the employees, students and families on campus. The Plaintiff encouraged diversity as it is consistent with the teachings of the Episcopal Church for inclusion. However, certain members of the Board of Trustees felt the Plaintiff's actions were inconsistent with the procedure in which the Board of Trustees had historically operated.

151. The Plaintiff was terminated as a retaliatory action by members of Defendant Board of Trustees for questioning the actions of certain members of the Board of Trustees and their failure to follow certain policies and procedures of the Board of Trustees and the employment of spouses of Board of Trustee members by the school. This violation of policy had historically not been questioned, and allowed the Board of Trustees to make non-transparent decisions without any accountability.
152. As the direct and proximate result of Defendants' Wrongful Termination of the Plaintiff, and the actions of the Defendants to violate the rights of the the Plaintiff, the Plaintiff suffered direct and foreseeable damages in amounts exceeding Five Million Dollars (\$5,000,000.00), as well as the cost of moving, loss as to costs of health, vision and dental insurance, costs associated with his children's education, and attorney's fees and expenses associated with this litigation.
153. As a direct and proximate result of Defendants' unlawful discriminatory conduct in violation of 42 U.S. Code Section 1981, Plaintiff has suffered and continues to suffer, monetary and/or other economic harm for which he is entitled an award of monetary damages and other relief.
154. The Plaintiff brings this action for employment discrimination/retaliation pursuant to Title VII of the Civil Rights Act of 1964, 42 USC §2000e et seq. ("Title VII") and violation of §1981 of the Civil Rights Act of 1866, 42 U.S.C. §1981.
Pursuant to 42 U.S.C. §1981:

THE PLAINTIFF'S CHILDREN WERE ENROLLED
INDUCE BOARD VOTE TO TERMINATE**

155. Plaintiff realleges paragraphs one (1) through one hundred forty-one (141) as if set forth fully herein.
156. Plaintiff adopts and realleges that the Defendants owed a duty to the Plaintiff to honor the contractual Employment Agreement that the Plaintiff and Defendants knowingly and

collectively authorized and endorsed the use of false information, both spoken and written, about the character and fitness of the Plaintiff.

157. All Defendants had knowledge of the safety and health hazards on the lower (Japonica) School campus and with reckless indifference to the consequences, consciously and intentionally declined to allocate funds from the budget or move the children from the lower (Japonica) campus to the upper (University) campus as suggested and requested by the Plaintiff.
158. All Defendants had a duty to protect the health and safety of the children/students enrolled at St. Luke's School on the lower (Japonica) campus and with reckless disregard and indifference to the consequences, The Defendants consciously and intentionally failed that duty.
159. The Plaintiff made it known to the Defendants of their duty to protect the health and safety of the children attending the lower (Japonica) campus. Plaintiff also asserted to the Defendants the need for the Defendants Board of Trustees to act on behalf of that duty to protect the children. Defendant Terry Holt was boisterous and verbally resistant to this action. Defendant Terry Holt made his position known by stating it was a "stupid idea" and he would not happen.
160. Defendants acted in concert with the statements of Defendant Holt based on the inaction of all Defendants to take action. The Plaintiff's insistence and verbal acknowledgement of the health and safety issues for all the students on the lower (Japonica) campus, including his own children, was a contributing and proximate cause of the action taken by Defendant Board of Trustees to retaliate and wrongfully terminate the Plaintiff resulting in financial injury to the Plaintiff as part of the basis of this action.
161. Defendants ignored the hazardous mold in the buildings and HVAC system, the inoperable fire alarm system, the dilapidated structures from years of neglect. Further, the

Defendants ignored the Plaintiff's health and safety concerns by refusing to move the students and children enrolled in the day care and lower (Japonica) campus school classrooms

162. All Defendants had knowledge of the false and defamatory statements made in numerous Board of Trustees meetings by Defendants Brian Knotts, Terry Holt, Tara Lockett, and other Defendant Board Members, that the forced administrative leave and ultimate termination of the Plaintiff was entirely without cause.
163. The false and misleading statements related to financial mismanagement of the Plaintiff; the false and misleading information that the Plaintiff had breached the contractual agreement; the false and misleading information that the Plaintiff had accepted another job; and the false and misleading information that Plaintiff had violated board policies; are the basis of the spoken words by the Defendants to faculty, parents, other board members and to members of the public to explain the forced administrative leave and subsequent termination of the Plaintiff.
164. The intentional act by the Defendant Board Members and the letter sent to the Plaintiff that fails to state a cause for termination; produces the assumption that the Defendants forced administrative leave and termination of the Plaintiff simply to conceal financial mismanagement by the Defendants. In addition, the refusal of the Defendants to conduct a "State of the School" meeting after terminating the Plaintiff, and in the interim replacing the Plaintiff with a temporary Head of School, and increasing tuition significantly in the first year after Plaintiff's wrongful termination are all intentional acts that have followed the false and misleading statements made by the Defendants.
165. The intentional act by the Defendant Board Members to cosmetically cover mold with paint, to use "walkie talkies" to alert teachers of fire and smoke matters, and temporarily patching leaks and providing extra trash cans to collect the water dripping from the ceilings of the classrooms and daycare rooms in which children remain after the Plaintiff repeatedly reported the issues to the Defendants Board of Trustees and requested funds

for the repairs; further proves Defendants Board of Trustees and Defendants St. Luke's Episcopal Church intentionally disregarded the dilapidated conditions of the facilities which still remain in a state of disrepair, resulting in hazardous health and safety conditions that threaten the students and faculty attending the lower (Japonica) campus.

166. The Defendants to terminate the Plaintiff and denial of his contractual salary as an employee and Head of School under the terms of his contract resulted in harm to the Plaintiff and he incurred damages.
167. Defendants unlawful and discriminatory actions based in part on the age of the students and the lack of awareness of the children and parents through misinformation and neglect to provide information by the Defendants was willful and was a conscious disregard of the health and safety of the Plaintiff's children and the children of other parents enrolled on the lower campus (Japonica) of St Luke's Episcopal School.
168. The Defendant's reckless conduct toward the Plaintiff and his children as well as the other children enrolled at the lower (Japonica) campus showed conscious disregard of Plaintiff's protected rights and the Plaintiff is entitled to an award of punitive damages.
169. Pursuant to § 6-11-21 the Plaintiff seeks Punitive damages not to exceed certain limits.
 - a. Except as provided in subsections (b), (d), and (j), in all civil actions where an entitlement to punitive damages shall have been established under applicable laws, no award of punitive damages shall exceed three times the compensatory damages of the party claiming punitive damages or five million dollars (\$5,000,000.00), whichever is greater.

WHEREFORE, premises considered, the Plaintiff respectfully requests this Court enter judgment against the Defendant and award damages to the Plaintiff in the amount of Five Million Dollars (\$5,000,000.00) and for any such other, further, or different relief to which he may be entitled, including punitive damages and reasonable attorney's fees and the cost of the Action.

The Defendant Board of Trustees, Church, Vestry, Rector Jamie McElroy, and Bishop Russell Kendrick's actions and presentation of false information, both spoken and written, about the character and fitness of the Plaintiff, the hazardous facilities on the lower School campus, and the financial situation of the School are a direct and proximate result to harm incurred by the Plaintiff.
177. Further, the personal beliefs and actions of some of the members of the Board of Trustees and open public statements related to discrimination displayed wanton disregard for the students, faculty, and the Plaintiff and his family by intentionally providing false information, both spoken and written, defaming the Plaintiff to wit:

The Defendants engaged in concerted action to achieve an improper purpose or lawful purpose by unlawful means to seek revenge on Plaintiff for his lawful actions in reporting the discrepancies of the board in applying policies and procedures, in asserting the safety issues related to unsafe conditions on the lower campus and the Defendants further created a hostile environment for the Plaintiff in engaging in actions to protect himself and his legal rights under his contract.
265. The Plaintiff was not provided any explanation as to his alleged conduct that warranted his termination.
266. The Plaintiff was not afforded any information with which to modify or change any alleged conduct that may ultimately result in termination.
267. Plaintiff's termination is a prime example of a discriminatory practice within the St. Luke's Board of Trustees.

Later this Defendant served as the real estate agent that sold Plaintiff's home. This Defendant Shane Hale had a financial interest in the termination of the Plaintiff. FACTS

20. On or about November 22, 2019, Plaintiff signed an employment Contract with St. Luke's Episcopal Church, Vestry, and St Luke's Episcopal School Board of Trustees following a lengthy search process for the position of Head of School. In signing the contract the parties put the terms of the agreement in writing. The Plaintiff was hired to serve as Head of School (Head Master) under the supervision of the St. Luke's Episcopal Church and School Board of Trustees, effective on July 1, 2020, and to continue until June 30, 2025. The Defendants serving on the Board of Trustees and a party to the contract, were tasked with the annual evaluation of the Plaintiff and the supervisory implementation of the approved budget, ensuring compliance with the teachings of the Episcopal Church, and the operation and maintenance of the school facilities as well as maintaining the health and safety of the students and faculty attending school.
20. In said Contract Agreement, the Defendants agreed that the Plaintiff would receive an annual salary of \$200,000.00 for the 2020/2021 school years. The Defendants also agreed that the Plaintiff was to receive a 2% increase in salary each year, or increase equal to the average percentage increase provided generally to the faculty for the same school year, whichever is higher.
21. The Defendants also agreed in the employment Contract that the school shall pay the premium for family health insurance coverage not to exceed \$1,540.00 per month during

any year of employment for an annual fee of (\$18,480) eighteen thousand four hundred eighty dollars.

22. The Defendants agreed under the Plaintiff's written Employment Contract that Plaintiff's natural or adopted children, who are members of the Plaintiff's household with principal residence in the Plaintiff's household, who are accepted and attend the school, shall receive (100%) tuition remission for each year they attend the school during the terms of the Agreement.
23. The Plaintiff's employment contract also stated that the Defendant school would reimburse the Plaintiff for life insurance premiums not to exceed \$350.00 per quarter, for an annual fee of (\$1400) fourteen hundred dollars. The Defendants breached this agreement.
24. The Plaintiff's employment contract stated that the Defendant school and Board of Trustees would pay the Plaintiff's monthly membership dues up to \$450.00 per month at a club of Plaintiff's choice; for an annual fee of (\$5400) five thousand four hundred dollars. The Defendants Breached this agreement.
25. The Plaintiff's employment contract stated that the Plaintiff, Employee may participate in the School's retirement plan in accordance with the terms, conditions, and requirements of the plan and the Defendants would provide a percentage match to the plan. The Defendants breached this agreement with the Plaintiff at the time of wrongful termination of the Plaintiff.
26. The Plaintiff's employment contract also stated that the school would pay Plaintiff \$15,000.00 in relocation expenses for which the Defendants breached and did not assist in the relocation of the Plaintiff following wrongful termination.
27. During Plaintiff's time as Head of School, Plaintiff officially stated to members of the Executive Committee, the Finance Committee, the Facilities Committee, the Rector, the School Board, and the complete Board of Trustees in scheduled board meetings, that

many of the financial, ethical, and establishment rules and/or policies of the school, were not consistent with the teachings of the Episcopal Church, were not consistent with the advertisement and inducements contained therein to which the Plaintiff applied for the Head of School position. Further, some unwritten expectations were unenforceable and were not listed in the handbook provided to parents and students for the year

28. During Plaintiff's time as Head of School, Plaintiff officially stated to members of the Executive Committee, the Finance Committee, the Facilities Committee, the Rector, the School Board, and the complete Board of Trustees in scheduled board meetings, that many of the financial, ethical, and establishment rules and/or policies of the school were not consistent with the safety and health codes of the City of Mobile, County of Mobile or the State of Alabama. The Plaintiff asserted that the state of the facilities on the lower (Japonica) campus, were a cause for health and safety concerns for the children and faculty working and attending classes on said campus. Plaintiff felt these issues needed to be addressed prior to someone being injured or having a significant health issue as a result of non-functional fire alarm system, the absence of sprinklers, the leaking roofs, and the mold circulating in the classrooms and HVAC system. However, these issues were not addressed by the Board of Trustees, the School or Church. Plaintiff asserted that these issues were inconsistent with the expectations of a safe and healthy environment for the students enrolled in the school daycare, or the parents who were contractually obligated to pay tuition to an institution that was neglecting the health and safety of its students. Further, some of these issues were also listed in the handbook provided to parents and students for the year indicating that the school did provide a healthy and safe facility for the children in attendance.
29. The Defendants attempted to enforce unwritten rules and/or policies that were in violation of, or inconsistent with the teachings of the Episcopal Church. Plaintiff voiced concerns regarding these issues and further voiced many health and safety concerns within the school that affected the children and school community. In addition, the Board of Trustee Members including Defendant Brian Knotts, were aware of many other issues

such as problems with the Alabama High School Athletic Association and students enrolled in the School Athletic programs.

30. The Defendants required a computer program implemented within the school to be installed on all devices of students which resulted in the School NETREF program taking over the camera of these devices without parental consent and without informing parents and students of the capabilities of the program.
31. The Defendants had adverse reactions to the Plaintiff implementing and encouraging the teachings and general inclusion of any/all groups consistent with the teachings of the Episcopal Church. In such, that all minorities were welcomed and encouraged to enroll in the school and participate in its activities. The Defendants displayed open discrimination toward minorities attending the school including statements made by Board of Trustee members that the Plaintiff encouraged the "wrong kind" of minorities to enroll in the school.
32. Plaintiff created the position of Director of Program Operations for the purpose of making sure that there was someone at the administrative level who was focused on the safety, security, maintenance, and repair of the various issues within the facility that Plaintiff asserts, had been neglected by the Board of Trustees for years.
33. Plaintiff made statements and voiced concerns as asserted in paragraph 27-32 hereinabove, to and in the presence of, members of the Facilities Committee, including Roy Price, Mitch Crumpton, Windy Bitzer, Elizabeth Boone, Terry Hold, Kim Dolbear, Brian Knotts and Michelle Bentley and to the other Defendants in executive board meetings of the Board of Trustees, in School Board meetings, and to the Rector, Defendant Jamie McElroy.
34. Plaintiff voiced concerns to the Board of Trustees, and in particular the Facilities Committee members on more than one occasion related to serious safety issues that

included the absence of a functional Fire Safety System on the lower (Japonica) campus. The current Fire Safety system is not in working order and in further testing, the system has failed to function properly and alert faculty and students of impending smoke and fire hazards for years.

35. The cost to replace the Fire Safety System on the lower (Japonica) campus was estimated to be upwards of \$150,000. The Board of Trustee members were aware of the cost and the severity of the issues at the lower (Japonica) campus.
36. The Board of Trustees did not approve replacement or repair of the Fire Safety System and failed to notify the Mobile Fire Marshall of the failure of the Fire Safety System at that location.
37. Plaintiff informed the facilities committee of the Board of Trustees about mold in the classrooms, closets and HVAC system on the lower (Japonica) campus of St. Luke's Episcopal School.
38. Plaintiff informed the Board of Trustees' members along with the Facilities Committee of the need to address the leaking roofs and the need to address moisture problems that such leaks created at the lower (Japonica) campus of St. Luke's Episcopal School.
39. The Defendants, members of the Facilities Committee of the Board of Trustees consistently deferred the repairs and replacement of the fire safety system due to significant costs.
40. Defendants on the Facilities Committee of the Board of Trustees consistently deferred the removal and repairs necessary to eradicate the mold problems on the lower (Japonica) Campus and knowingly allowed the health and safety of the children and faculty to remain at issue.
41. The Defendants on the Facilities Committee of the Board of Trustees and the full board

of trustees avoided testing of the mold to determine what varieties of mold were present in the closets, classrooms, and HVAC system of the lower (Japonica) campus of the school based on costs associated with addressing any specific types of mold (as in black mold) that were found and identified to exist. Pursuant to Board policy the Facilities Committee shall be responsible for reviewing and performing an annual inspection of school facilities, prioritizing and making recommendations for maintenance and/or improvements to the school's physical plant. Any capital improvement not necessary to the day to day operations of the school must be approved by the Finance Committee, subject to Board approval. Any maintenance item outside those that are ordinary and customary shall be reported to the Finance Chair and Treasurer.

42. Plaintiff expressed ongoing concerns about Murray Hall and Carpenter Hall on the lower (Japonica) Campus which required substantial repairs and renovations, however the Defendants and Facilities Committee members of the Board of Trustees ignored the requests for the funds to assess and make the necessary repairs to these buildings which young children and early education students were assigned.
43. Plaintiff made statements and voiced concerns about the financial needs of the school as asserted in paragraphs 27-42 hereinabove, to and in the presence of members of the Facilities Committee, to the other Board of Trustee Defendants in finance and executive meetings and in regular Board of Trustee meetings. At all times related to these claims the Defendants were voting members of the Board of Trustees and had a fiduciary duty to provide for the health and safety of the children on both the upper and lower campus of the School.
44. Plaintiff's voiced concerns and identified issues regarding the Board of Trustees' lack of compliance with the Board of Trustees' own policy were never acted on by the Defendants. In addition to the health and safety issues as well as increasing minority enrollment, other issues included Board of Trustee members' spouses working within St. Luke's Episcopal School while also receiving a tuition break. Defendant Mitch Crumpton, Board of Trustee member and member of the Facilities Committee, has

experienced financial gain from his position in that his spouse works for the school allowing the family to received a significant tuition break; while the School facilities safety and security issues exposed the students on the lower (Japonica) campus to leaky roofs, mold, and the absence of any functional fire safety alarm system.

45. Defendant Michelle Bentley, a Finance Committee and Facilities Committee Board member, also has a spouse employed by the school. Although her husband was initially employed through another employer under contract to serve as the athletic trainer; he was later employed as a teacher at the School as approved by the Board of Trustees. Therefore, like Mitch Crumpton, who had student athletes at the school; Michelle Bentley also had a student athlete.
46. Defendants Michelle Bentley and Mitch Crumpton along with Terry Holt, Jim Rossler, Brian Knotts, and Elizabeth Boone, who all served on the Facilities Committee all had student athletes enrolled and competed in the athletic programs at the school. Each Defendant had a vested interest in Alabama High School Athletic Compliance yet the main focus in the Facilities Committee of the Board of Trustees focused on athletic facilities rather than the facilities that affected the health and safety of the lower (Japonica) campus students not involved in middle and high school athletics.
47. The Defendants on the Facilities Committee of the Board of Trustees were not the only Board of Trustees' members with children involved in athletics at St. Luke's Episcopal School. In addition, some members of the Facilities Committee also served on the Finance Committee. Defendant Brian Knotts and Michelle Bentley served on both the Finance and Facilities Committees and Defendant Jaye Patterson, Fran Garrett, Jake Baker, Robin Roberts, and Kim Dolbear also served on committees and were parents to student athletes enrolled and competing at St. Luke's Episcopal School.
48. The Board of Trustees select and choose replacements for open seats on the Board of

Trustees, therefore the financial benefits conveyed to Defendant Mitch Cumpston and his family, as well as the financial benefits conveyed to Defendant Michelle Bentley and her family, were not transparent nor were they scrutinized.

49. Plaintiff asserts this type of favorable treatment to only a few chosen, select students is a discriminatory act against the rest of the students enrolled in the school that are not. The few chosen, select friends of the Board of Trustees and do not receive large amounts of financial assistance or support.

50. Plaintiff asserts that this discriminatory practice continues today, and the acting Head of School, Suzy Banks is aware of the discriminatory practice and has continued to accept this practice without question to the Board of Trustees; despite there being no written guidelines for the implementation of this Board of Trustee habit. Defendant Suzy Banks has met with the parents of some students and has openly discussed her knowledge of said financial discriminatory practices but has made no effort to change them.

51. Plaintiff made statements and voiced concerns as asserted in paragraphs 27-50 hereinabove, to and in the presence of members of the Board of Trustees Executive Committee, Finance Committee, Facilities Committee, and to other Defendants in Board of Trustee meetings.

52. Plaintiff raised the issue of a substantial violation of Board of Trustee policy related to the employment of Board of Trustees members' spouses to the Defendants on the Executive Committee, but the Defendants never permitted this issue to be addressed with the full Board of Trustees at a board meeting.

53. Plaintiff identified concerns relating to the overall safety and security of the school as well as other financial and budget issues including the Board of Trustees granting long term financial assistance to families of athletes and friends of Board of Trustee members in perpetuity (which still continues today) without any policy or procedure for such financial exceptions to school fees, tuition, and expenses, affecting the overall

financial well-being of the School.

54. Plaintiff asserted to Defendants that the granting of long term financial assistance to family members of talented athletes, as well as the granting of financial assistance, the consented exceptions to enforcing contractual agreements, along with the granting of financial assistance to friends of Board of Trustee members without any type of objective requirements, was financially detrimental to the School and its future.
55. Plaintiff asserted to Defendants and Board of Trustees that continuing these frivolous financial actions require other students to pay elevated tuition to cover said financial assistance and scholarships given to families of athletes and friends of Board of Trustees members.
56. The use of terminology by the Board of Trustees to include conveyance of financial assistance to siblings of athletes rather than scholarship awards to athletes, may violate state rules for participation under the Alabama High School Athletic Association.
57. Since the wrongful termination of the Plaintiff, these unscrutinized financial assistance practices of the Board of Trustees, the acting Head of School, and the Administration Department continues and has resulted in an \$800 per student tuition increase for the 2023 school year.
58. Plaintiff made statements and voiced concerns as asserted in paragraph 27-57 hereinabove, to and in the presence of members of the Finance Committee, and to other Defendants in executive meetings of the School Board, and in regular Board of Trustee meetings about his concerns regarding practices by the Board of Trustees that may be violations of the accreditation standards of SACS accrediting body for the 2024 accreditation renewal.
59. Plaintiff made statements and voiced concerns related to safety, health, and well being of

the students. Plaintiff also asserted concerns related to finances, facilities, athletics, tuition, as well as the qualifications of faculty and staff. Within discussions with the Board of Trustees regarding the issues of the school budget, Plaintiff proposed plans to be implemented to address the facilities safety issues providing a long term solution to the problem. The plan proposed by the Plaintiff included an agreement between the Vestry, Church and the School, to consolidate all grades on the upper (University) campus, and allow all students from the lower (Japonica) campus be moved to the University Campus until the issues at the lower (Japonica) campus were repaired and resolved. This proposal was presented to the Defendants Board of Trustees by the Plaintiff.

60. The Plaintiff's plan to relocate the children from the lower (Japonica) campus to the upper (University) campus to allow the Board and Church to rectify the health and safety concerns for the children on the lower (Japonica) campus included both suggestions and drawings outlining practical ways to remove the students from the lower (Japonica) campus and protect them from further health and safety risks associated with the issues on the lower (Japonica) campus and afford the School an opportunity for further development, and make needed repairs and renovations to structures on the lower (Japonica) campus.
61. The Plaintiff presented his plan for the consolidation at a meeting with the Board of Trustees. After the presentation, Defendant and Board of Trustees member Terry Holt angrily declared that the idea was "stupid," however, Defendant Terry Holt offered no proposal or suggestion for any other immediate and long term alternatives to the issues with the lower (Japonica) campus and showed no interest in hearing from any other members of the Board of Trustees on said issue.
62. Defendants and members of the Board of Trustees followed the statements of Defendant Terry Holt, and refused to discuss the Plaintiff's plan to consolidate the upper (University) campus and the lower (Japonica) campus, although allowing the students to continue attending classes on the lower (Japonica) campus posed vast health and safety risks to young children.

63. Plaintiff, in fulfilling his duties as Head of School, worked with the Defendants on the Finance Committee to prepare and presented the school budget to the Board of Trustees Defendants.
64. Pursuant to Board of Trustee Policy, the Finance Committee shall, in conjunction with the Head of school, prepare a detailed budget for the succeeding fiscal year to be presented to the Board on or before its regular September meeting for Board approval. The Board of Trustees passed the proposed budget by the Finance Committee of the Board for the school year 2021-2022, 2022-2023 under the tenure of the Plaintiff.
65. The Defendants Board of Trustees, after passing the budget, used the school's financial needs for repairs, renovations, replacement and safety that were never approved by the Board of Trustees after the budget was presented by the finance committee and the Plaintiff; to complain and blame the Plaintiff for the budget constraints, the safety issues and the financial problems of the school.
66. The Defendant Board of Trustees had prior detailed knowledge of budget needs and facility infrastructure needs, and the matters for which they complained were not permitted to be considered by the entire Board for inclusion in the Budget.
67. The Defendants Board of Trustees' policy indicates that the governing body of the School shall be the Board of Trustees (the "Board") with primary responsibilities to determine the character of the school, establish policy, assure the school's financial stability, and to effectively ensure that the Head of School implements the policies it establishes.
68. All properties of St Luke's Episcopal School are held in the name of the Episcopal The Diocese of the Central Gulf Coast, and the Vestry of St. Luke's Episcopal Church (the "Vestry"), acting for the Church, exercises immediate control over them.
69. The Defendants, Board of Trustees includes a member of the Vestry as a voting board member and periodically, the Board will report its activities to the Vestry.

70. The Defendants' Board Policies indicate that the Board of Trustees shall consist of twenty-one (21) voting members, at least one-third of whom shall be active members in good standing in a parish of the Diocese of the Central Gulf Coast, and shall be composed as follows:
- [i] Two [2] members who shall be appointed by the Vestry ["Vestry representatives"];
 - [ii] Eighteen [18] members-at-large, ("at-large representatives"); and
 - [iii] The Rector of the Church.
- In addition to the foregoing, the Head of School shall serve a non-voting member of the Board.
71. In addition, the Bishop of the Episcopal Diocese of the Central Gulf Coast serves as an ex-officio member of the Board. Further, former Board Chairs in good standing may also serve as non-voting, ex-officio members of the Board upon invitation from the Executive Committee.
72. The Defendants, Board of Trustees failed to follow any policy or procedure to address the need for repairs, renovations, replacements, and safety issues; but falsely asserted the Plaintiff forced the board members to approve a budget that the school financially could not meet.
73. The Defendants, St. Luke's School Board members, Jake Baker, Windy Bitzer, Elizabeth Boone, Mitch Cumpton, Dani Moore, Kim Delbear, Shane Hale, Terry Holt, Amber Martenstein, Elizabeth Palmer-Hill, Jaye B. Patterson, David Poole, Roy Price, Robin Roberts, Lloyd Roebuck, Jim Rossler (non-voting member), Brian Trammell, Bob Will, Tara Lockett and Jamie McElroy voted to pass the Budget. The Plaintiff was a non-voting member of the Board.
74. Plaintiff made statements and voiced concerns to the Defendant Board of Trustees about the manner in which specific faculty members bullied and harassed students based on

sexual orientation, gender, race and religious beliefs that were inconsistent with the principal teachings of the Episcopal Church for which the Board of Trustees served.

75. Defendants made verbal statements outside of board meetings to faculty members and school family members and during board meetings that the Plaintiff was seeking to bring too many of those minorities to the school.
76. Plaintiff voiced concerns about the finances of the school and the discounts in tuition to the parents of school board members who had spouses that worked at the St Luke's school in violation of board policy; and athletes and their siblings, as well as friends of board of trustee members that discriminate against minority student applicants that did not participate in athletics.
77. Plaintiff voiced concerns that athletics was not the focus under the mission of the school, yet Board of Trustee members ignored the mission of the school.
78. The Mission of St Luke's Episcopal School is as follows:
St. Luke's Episcopal School (the "School") is an institution sponsored by St. Luke's Episcopal Church of Mobile, Alabama (the "Church") and is an integral part of the Church. The mission and philosophy of the School are as follows and the same may be amended from time to time as herein elsewhere provided for amendment of these Bylaws. The purpose of the School is to provide a sound preparation for higher education and the rest of life by providing quality mental and spiritual training. Regular worship experiences, extracurricular activities, and a desirable atmosphere with emphasis on such traits as honesty, courage, reverence, self-discipline, and service to others combine to provide an environment encouraging the growth of the whole person. Learning is a lifetime process. Growth in learning is unique to each child. Children learn through a variety of instructional methods and through the modeling of the behaviors of those who are important to them. They must learn to view both success and disappointment as opportunities for growth rather than as measures of their worth.

The unique role of the School is to prepare students in the context of a Christian community of love and concern to achieve academically, to develop moral values, and to interact in a socially acceptable manner. The School has a responsibility to this community to provide properly trained and experienced teachers and staff who demonstrate genuine love and respect for children and who are flexible in using a variety of materials and methods in meeting the individual needs of those children. The specific objectives of the School are to provide a program and an atmosphere in which a student may develop the following:

- an interest in learning;-
- a positive self-concept and a desire to perform to the best of his or her ability; -
- the academic and spiritual training needed for further education;
- high ethical values; and -
- the ideals of physical fitness and sportsmanship.

79. Plaintiff voiced concerns over NETREF, a computer program that the School Board approved and required the students to install on all devices that were to be used by the students in the school setting. The program could access the student's camera on any device, at any time, and take photos. The Program violated FERPA by allowing a third-party access to students' grades and records within the school setting.
80. The Plaintiff voiced concerns that the Defendants put the NETREF Program in place without presenting the program to parents, and the School required the program to be installed on technology devices (ipads, phones, laptops, and other computers) that were not school property and belonged to the students and/or their parents.
81. The Defendants failed to communicate to Parents regarding the NETREF program, and the parents of students were not presented with any releases. The NETREF program invaded the privacy of the students and collected screen shots and data from the student's devices while in use.
82. The NETREF program created privacy issues for students and parents of St Luke's

Episcopal School families, by allowing the NETREF program to access the cameras of the devices in the possession of the students; while they were working from home on projects and course work in their bedrooms, or working from a table in their homes.

83. The NETREF program could also record and track financial information if on a screen at the time the camera was activated by the NETREF Program.
84. The Plaintiff voiced concerns about the NETREF programs ability to capture and potentially capture students who may have been making online purchases through amazon etc., and were unknowingly allowing the data and information collected by the program to be stored for the use of the school. This information was not provided to the parents, and no security information was disclosed to the parents related to their children enrolled as students of the School. Ultimately, the program and contract were to be canceled and removed from all devices in the school.
85. The data and information collected from the program, which was property of the parents and students of the school, was not disclosed. The Defendants Board of Trustees, including Defendant Brian Knotts, were fully aware of the issues with NETREF, made unilateral decisions about property that did not belong to the school and did not consult parents or even inform parents of the issues related to privacy violations and/or FERPA violations related to this particular program and software.
86. The Defendants Board of Trustee members failure to notify parents of implementation of the program and the unilateral decision to require students to install the programs, circumvented the parents entirely in this particular aspect of the educational process.
87. The Plaintiff explained to the Board of Trustees that the NETREF program allowed the school to obtain any information related to any type of search history, credit card, and bank information.
88. The Plaintiff also informed the Board of Trustees that the failure to notify parents and

obtain consent on devices that the school did not own, then to potentially collect permanent information from the computers by activation of the camera for screenshots, violates the Schools authority to search student computers improperly.

89. The Plaintiff asserted to the Board of Trustees that the schools ability to access screenshots of the devices and monitor the activity of the students at times outside the schools purview and without parent consent was wrong.
90. The Plaintiff requested the parents have access to the data that had been collected on their respective children, however, the release of that information was not provided to the parents nor authorized to be provided by the Board of Trustees.
91. Plaintiff voiced concerns to the Defendants, Board of Trustees members, about the lack of communication between the School Board, parents and students numerous times over the course of his tenure as head of school.
92. The Defendants, Board of Trustees members, covered up and repeatedly failed to report infractions related to student athletes participation, financial distributions, and financial assistance.
93. The Defendant Board of Trustees members having children participating in athletics at the School, had a vested interest in not reporting the infractions and continuing to permit violations of the rules to enable the School to obtain success in athletics to the benefit of their own student athletes.
94. The Defendant Board members failed to disclose improper conduct known to them related to improper application of financial aid to members of student athlete families and relocation of student athletes after being initially approved by the AHSAA.
95. Defendants, Members of the Board of Trustees, including Defendants Tara Lockett and Brian Knotts conducted and attended a clandestine meeting following the wrongful

termination of the Plaintiff in an effort to collect information related to the violations of AHSAA policy for student athletes.

96. Defendants Tara Lockett and Brian Knotts were in attendance in the meeting described in paragraph 95 and were aware of potential AHSAA financial assistance and eligibility violations and failed to self-report the violations to the AHSAA.
97. Defendants Tara Lockett and Brian Knotts deliberately and in spite of their obligation to comply with AHSAA rules and requirements to self-report violation incidents, concealed the violations or failed to report the infractions.
98. Defendants Tara Lockett and Brian Knotts conducted a clandestine meeting including Board Members Michelle Bentley, acting Head of School, Suzy Banks, Athletic Director, Meredith Donald, and other administrators and faculty members, attempting to identify reasons to assert that any such conduct was attributed to the Plaintiff, in order to assert he was terminated for cause.
99. Plaintiff was not present in this meeting and the meeting was conducted after he was wrongfully terminated by the Board of Trustees.
100. Plaintiff terminated a faculty member based on the statements of eye witnesses including students present in the classroom when a faculty member made inappropriate and discriminatory statements inconsistent with the teachings of the Episcopal Church that were publicly propounded to a student in the class. The conduct included discriminatory statements by a faculty member that were directed at the student's gender, sexual orientation, and were isolating and harmful to the student and in addition, violated the rights of the student to be safe from physical and verbal harm in the school's educational setting.
101. Plaintiff and administrative team member Doug Estle, complied with the student handbook in relation to the high school prom and dress code for the school during the

prom. Plaintiff and the administrative team member Doug Estle also complied with the students' personal grooming rules and student dress code modifications that were made by the School Board.

102. Defendants Board of Trustees school policy modifications to dress code were made by the School board during Plaintiff's tenure as head of school.
103. Defendants Board of Trustees members, attempted mid-year to create new rules and demand enforcement of a different set of school rules and dress code policies that were not published to students and families. The Plaintiff voiced his concerns and objections to the implementation of rules and policies that students and families were not given notice about.
104. Following the 2022 St.Luke's Episcopal high school prom, Defendants and members of the Board of Trustees made complaints that were brought to the attention of the administrative team attending the Prom and enforcing the code of conduct and the written policies of the Defendant School. Defendant Board Members made statements including that the Plaintiff was permitting too many of the "wrong kind of minorities" to be enrolled at St.Luke's Episcopal School. These statements by Defendant Board Members were discriminatory in nature and not consistent with the teachings of the Episcopal Church and violated the same policies that were asserted by the Plaintiff to the Defendant and Rector Jamie McElroy and Board of Trustee members at earlier meetings. At all times herein, St Luke's is an Episcopal School owned by St. Luke's Episcopal Church.
105. ARTICLE NINE of the Board of Trustees Policies at St. Luke's Episcopal School asserts a NON-DISCRIMINATION POLICY, stating, the School does not discriminate on the basis of race, color, religion, gender, or national/ethnic origin with regard to admissions procedures, scholarship and loan programs, or in any of the athletic or other school administered curricular programs. The School does not discriminate on the basis of race, color, religion, gender, disability, national/ethnic origin, or age in any of its policies or administration of those policies pertaining to hiring or employment practices. The

Defendants failed to comply with this policy.

106. In compliance with the teachings of the Church and school Board of Trustee policies, the Plaintiff defended the rights of students to be safe in the school setting and to not be bullied, harassed, and discriminated against regardless of gender, ethnicity, sexual orientation and religious beliefs. Plaintiff defended "the kind of minorities" that Defendants and some members of the Board of Trustees asserted, were not welcome at the Episcopal School. The Plaintiff was wrongfully terminated based in part on this action.
107. During Plaintiff's time as Head of School, Plaintiff officially made statements and voiced concerns to the Defendants about many financial, ethical, and policy violations as well as health and safety concerns. These concerns were voiced in the presence of members of the executive committee and to Defendants in executive meetings of the School Board, in School Board meetings and in meetings with the Board of Trustees.
108. Plaintiff's statements to the Defendants related to the issues identified herein above included the existence of mold in the air ventilation system and ceilings of lower school campus classrooms associated with the K-2 and K-3 childcare programs. Plaintiff believed funds needed to be allocated to repair or replace the roof, ventilation systems, and building structures in order to comply with city, county, and state regulations.
109. After receiving estimates related to the repairs and/or replacement of the lower campus Fire Safety System, the Defendants precluded further discussions about the water damaged lower campus classrooms and buildings where the existence of hazardous mold existed. The Defendants failed to make requested monetary allocations to correct the mold and hazardous materials issues.
110. The Defendants continued to refuse to take action to remove and repair the ventilation system, leaking roofs, water damaged classrooms despite having been provided photos, mold reports, visual inspection of damages, and reports of the existence of the mold and

hazardous substances in the air ventilation system of the lower (Japonica) campus classrooms. The Defendants' failure to acknowledge and repair the issues impacted many vulnerable young children. St. Luke's Episcopal School demanded contractual payments from the parents of these children to provide for their safety and care, but made no effort to make the necessary repairs to ensure the children's well-being.

111. The Defendants had a duty to all students enrolled at the School, including the children of the Plaintiff, to ensure their safety and wellbeing by maintaining a working fire alarm system, to ensure that mold in the HVAC system was treated and removed properly, to repair leaking roofs and damaged buildings from years of neglect, and also to ensure the children of the Plaintiff and all other children attending St. Luke's Episcopal School in Mobile, Alabama were not placed in harm's way as a result of hazardous and harmful conditions at the lower (Japonica) Campus. In signing the contract with each of the parents that enrolled their children at the School, the School had a duty to each of these parents under the school parent student handbook. These Defendants breached the agreement with the parents of all students on the lower (Japonica) campus including the Plaintiff. The Defendants breached their contractual agreement with the Plaintiff as well as their contractual obligations to all parents and children of the School community.
112. Plaintiff stated to Executive Committee members of the Board, other members of the Board of Trustees, and to Defendant Rev. Jamie McElroy, Rector, that he believed the School Board repeatedly violated Board policy related to recruitment and scholarships programs. Plaintiff voiced to Defendant McElroy that he felt the recruitment and scholarship program policies should be reviewed, especially in the case of athletes and in providing financial assistance in perpetuity to younger siblings of athletes in an effort to encourage an athletic member of the family to attend the School.
113. Plaintiff voiced concerns to the Board of Trustees that these discriminatory School Board policies to extend financial assistance and allowances may have been violations of Alabama High School Athletic Association Policies. Despite the concerns presented by the Plaintiff as the Headmaster, Defendants failed to take the concerns and

recommendations under advisement.

114. Defendants took no action on any issue identified hereinabove when presented by the Plaintiff. Defendant Bishop Russell Kendrick was aware of the issues with the Board and the inconsistent policies the Defendant Board of Trustees was attempting to implement and took no action.
115. Plaintiff asserted that there had been a mismanagement of funds allocated to the school as approved in the budget by the Board of Trustees for payment of the schools financial and academic obligations. Defendants were angered by this assertion.
116. Plaintiff continued to report to the Board and voice his concerns about the health and safety of the children and students enrolled at the Defendant School. The issues that were continually voiced were known to the Defendants Board of Trustees, and no effort was made to correct these issues. After repeated requests for change, Plaintiff was placed on administrative leave and was subsequently terminated without notice of cause within 1 weeks from being placed on administrative leave. The Plaintiff received no reason or notice for being placed on administrative leave.
117. In the Contract Agreement, entered into knowingly by all parties, Section 6, (Termination), Subsection C, (By the School without Cause) states the following "The School shall have the right to terminate this Agreement "Without Cause" by giving the Employee notice of termination on or before the next calendar date of April 1 and upon the School paying to the Employee an amount equal to Employee's compensation remaining due until the same next calendar date of April 1 plus one complete year of Employee's compensation set forth on Exhibit A (except for moving expenses) hereto (the "Effective Date of Without Cause Termination"). Employee shall be obligated at the sole pleasure of the School to continue to fulfill his obligations under the terms of this Agreement until the same next calendar date of April 1. If the School decides that Employee shall continue to fulfill his obligations for longer than one (1) month for the such transitional purposes, then the payment of base salary under this Section 6 (c) shall

be paid in the normal course (as before the Effective Date of Without Cause Termination) with the balance due in the last month of Employee fulfilling said obligations under the terms of this Agreement at the pleasure of School.

118. On or about November 8, 2022, Plaintiff received a letter from Defendant Tara Lockett, Vice Chairman of the Board of Trustees, acting also as counsel for the School and Board of Trustees, stating that Plaintiff was being placed on administrative leave. Plaintiff was given no reason or explanation as to the Board of Trustees decision to place him on administrative leave and he was given no instructions on how to resolve any issue if any existed for the reason of being placed on administrative leave.
119. Further, Plaintiff was afforded no notice of any failure to comply with any Board of Trustee policy; Plaintiff was afforded no due process, nor was he given a hearing for any reason; as no reason was provided to the Plaintiff for being placed on administrative leave.
120. The Plaintiff was not afforded an opportunity to be heard as to any issue nor was he granted an opportunity to rectify any grievance prompting the Defendants Board of Trustees discussion and vote to place him on administrative leave.
121. On or about November 16, 2022, undersigned counsel and Defendant Tara Lockett, who at the time was acting as both a voting member and Vice Chairman of the Board of Trustees and legal counsel for the School engaged in communications to force Plaintiff to resign.
122. No Board member including Vice Chairman of the Board of Trustees, Defendant Tara Lockett, provided any reason for the necessity of placing the Plaintiff on administrative leave or for requesting his resignation and further no reasoning was provided by Defendants to the Plaintiff for termination of the Plaintiff.
123. Defendant Tara Lockett permitted Defendant Rev. Jamie McElroy, Rector, a Board

member to meet and communicate directly with the Plaintiff to encourage him to accept the terms of termination of employment which were not in compliance with the terms of the Plaintiff's contractual agreement nor were they based in fact with St. Luke's School Board, Board of Trustees or St. Luke's Episcopal Church.

124. Defendants sought exclusive control of the separation of the Plaintiff from his employment with the school in requiring Plaintiff to accept terms that would be unenforceable that gave no assurances of school board compliance and no definitive terms for payment.
125. Defendants knowingly violated and breached the contractual employment agreement with the Plaintiff.
126. Defendants Brian Knotts, Tara Lockett, and other Defendants, Board of Trustees members, provided misleading information to encourage an affirmative vote by the board to terminate the Plaintiff and remove him from his position.
127. The false information that was presented to Defendants Board of Trustees members included Plaintiff had interviewed and accepted other employment, that the Plaintiff mismanaged funds, and that he violated policies of the Board of Trustees.
128. Defendants Tara Lockett and Brian Knotts presented to the other Defendant Board Members that the Plaintiff had accepted another job, this misinformation was a false statement.
129. None of these assertions identified in 127 were presented to Plaintiff in the letter of termination from the Board of Trustees.
130. Plaintiff's Contractual Agreement with St. Luke's Episcopal School stated that he was to serve as head of school (Head master) of St. Luke's Episcopal School beginning

November 19, 2022. The Contractual Agreement with the Plaintiff was to remain in effect until June 30, 2025.

131. Plaintiff, through undersigned counsel, and the School, through Defendant Tara Lockett, acting as Vice Chairman of the Board and as the Attorney for the Board of Trustees, attempted negotiations to resolve the attempts by the school to wrongfully terminate the Plaintiff through December 2, 2022; however, the Board of Trustees and School Board refused to negotiate in good faith, failed to honor the Contractual Agreement entered into by both parties in November, 2019, and additionally breached the contractual agreement by participating in libelous and slanderous statements to outside members of the community, parents of students enrolled at the School, teachers employed by the School and other School employees.
132. Defendants conducted a meeting shortly after terminating the Plaintiff without cause to collectively discuss the Plaintiff and attempt to identify a reason that could be asserted by the School Board Chair, Defendant Brian Knotts, in support of the termination of the Plaintiff.
133. On or about December 9, 2022, Defendant Brian Knotts, Chairman of the Board of Directors, sent a certified letter to the Plaintiff stating that the Board of Trustees had voted on December 8, 2022, to terminate his Employment Agreement with cause, however, Plaintiff received no documentation as to the cause of the termination, nor was any cause stated in the letter that was forwarded to the Plaintiff by Defendant Brian Knotts.
134. Defendants Brian Knotts, Mitch Cumpton and Roy Price had various discussions with non-board members and school family members regarding various issues with faculty members, administrative members and members of the athletic department. These discussions also included issues asserted regarding the cheerleading coach and issues the Plaintiff had previously made to the Board of Trustees including the harassing conduct of cheerleading coach De'Armon. These Defendants informed non-board members and

parents of students that the Head of School controlled the administrative running of the school and the Board could not do anything about the conduct of De'Armon.

135. Defendants Brian Knotts, Mitch Cumption and Roy Price claimed to parents of students that the Plaintiff controlled the administrative running of the school and the Board could not do anything about either of the named individuals.
136. Defendants having knowledge that these allegations and assertions were not true, continued to make libelous and slanderous comments about the Plaintiff to parents, faculty, administrators and members of the community; that were and are detrimental to the Plaintiff's reputation and character as an educator and administrator.
137. Due to the actions of the Defendants, the Plaintiff has been unable to secure employment and has suffered and continues to suffer irrevocable professional, emotional, and mental damage for which he is entitled to monetary reward of damages and other relief.
138. The Defendants took retaliatory action against the Plaintiff for opposing the Board of Trustees lack of action toward the reported safety and health related problems within the facility; for the Plaintiff's opposition of the contradictory Board of Trustee demands placed upon students and student activities; for the Plaintiff's opposition to the Board of Trustees the lack of consideration for the Teachings of the Episcopal Church, as well as other reports to the Board of Trustees including improper treatment of students; for the Plaintiff's opposition to the lack of adequate funding to the Fine Arts Department due to the disparaging funding to the Athletics Program. While all of the concerns and issues posed to the Board of Trustee by the Plaintiff were in the best interest of the school, its students, and were aligned with the teachings and belief of the Episcopal Church, the Plaintiff's attempt to address these concerns and rectify the issues; it also resulted in the adverse, retaliatory action of the Defendants to vote to terminate the Plaintiff in breach of contract and without cause.

THEREFORE, Plaintiff alleges the following claims against the Defendants jointly and individually:

COUNT I – WRONGFUL TERMINATION

139. Plaintiff realleges paragraphs one (1) through one hundred-twenty-eight (128) as if set forth fully herein.
140. Plaintiff adopts and realleges that the Defendants owed a duty to the Plaintiff to adhere to the Contractual Agreement drafted and proposed by their institution.
141. Section 6(b) of the Contractual Agreement states that “the “Employee” shall receive notice in writing if “Terminated With Cause,” as of effective of date of termination, all obligations of the School to the “Employee” are terminated and all rights previously owed to you are forfeited.”
142. Defendants’ failed to give cause for Termination, and were aware they failed to give cause.
143. The Plaintiff was put on administrative leave without cause or written notice of the reason for administrative leave.
144. The same Contractual Agreement states that if the “Employee” is “Terminated with no Cause,” the school agrees to pay salary to April 1 of the current year and one year of Employee’s compensation, plus other contractual obligations until April 1st of the next calendar year. Defendants terminated Plaintiff’s Employment Agreement as to prevent payment of funds for which they were contractually liable.
145. Plaintiff entered into a written contract with Defendants to be the Head of School at St. Luke’s Episcopal School for the term of July 1, 2020, to June 30, 2025; Defendants Terminated Plaintiff’s employment without cause, then refused to honor their contractual obligations under the employment agreement to the Plaintiff. Defendants breached the contract with the Plaintiff resulting in financial damages.

146. The Plaintiff was terminated as a retaliatory action by members of Defendants Board of Trustees for what was believed by some board members to be a liberal view of social norms at the school despite being consistent with the teachings of the Episcopal Church for inclusion.
147. The Plaintiff was terminated as a retaliatory action by members of Defendants Board of Trustees for what was believed by some members of the Board of Trustees to be actions that were deemed fiscally improper. The Plaintiff opposed a discussion that was had with members of the Board of Trustees where it was asserted that an insurance claim following a storm could save the school hundreds of thousands of dollars in repairs to the leaky roofs and mold infested classrooms on the lower campus at the school, despite the members of the Board of Trustees being completely aware of the pre-existing dilapidated conditions.
148. The Plaintiff was terminated as a retaliatory action by members of Defendants Board of Trustees for actions that were deemed inconsistent with the history and manner in which the St. Luke's Episcopal School Board of Trustees had historically wielded power and control over employees, students, and families on the campus of St. Luke's Episcopal School.
149. Plaintiff and his methods of administration were consistent with the teachings of the Episcopal Church; certain members of the Board of Trustees felt that the Plaintiff's actions were inconsistent with the procedure in which the Board of Trustees had historically governed St. Luke's Episcopal School, its students, and faculty.
150. The Plaintiff was terminated as a retaliatory action by members of Defendants Board of Trustees for what was believed by some members of the Board of Trustees to be actions that were deemed inconsistent with the history and manner in which the St. Luke's Episcopal School Board of Trustees had not previously protected nor supported diversity in students enrolled with the school or participating in school activities. These included

diversities in gender, race, and sexual orientation. The Board of Trustees also attempted to impose their views on diversity and preclusion of diversified groups on the employees, students and families on campus. The Plaintiff encouraged diversity as it is consistent with the teachings of the Episcopal Church for inclusion. However, certain members of the Board of Trustees felt the Plaintiff's actions were inconsistent with the procedure in which the Board of Trustees had historically operated.

151. THE PLAINTIFF'S CHILDREN WERE ENROLLED
INDUCE BOARD VOTE TO TERMINATE**

155. Plaintiff realleges paragraphs one (1) through one hundred forty-one (141) as if set forth fully herein.
156. Plaintiff adopts and realleges that the Defendants owed a duty to the Plaintiff to honor the contractual Employment Agreement that the Plaintiff and Defendants knowingly and

collectively authorized and endorsed the use of false information, both spoken and written, about the character and fitness of the Plaintiff.

157. All Defendants had knowledge of the safety and health hazards on the lower (Japonica) School campus and with reckless indifference to the consequences, consciously and intentionally declined to allocate funds from the budget or move the children from the lower (Japonica) campus to the upper (University) campus as suggested and requested by the Plaintiff.
158. All Defendants had a duty to protect the health and safety of the children/students enrolled at St. Luke's School on the lower (Japonica) campus and with reckless disregard and indifference to the consequences, The Defendants consciously and intentionally failed that duty.
159. The Plaintiff made it known to the Defendants of their duty to protect the health and safety of the children attending the lower (Japonica) campus. Plaintiff also asserted to the Defendants the need for the Defendants Board of Trustees to act on behalf of that duty to protect the children. Defendant Terry Holt was boisterous and verbally resistant to this action. Defendant Terry Holt made his position known by stating it was a "stupid idea" and he would not happen.
160. Defendants acted in concert with the statements of Defendant Holt based on the inaction of all Defendants to take action. The Plaintiff's insistence and verbal acknowledgement of the health and safety issues for all the students on the lower (Japonica) campus, including his own children, was a contributing and proximate cause of the action taken by Defendant Board of Trustees to retaliate and wrongfully terminate the Plaintiff resulting in financial injury to the Plaintiff as part of the basis of this action.
161. Defendants ignored the hazardous mold in the buildings and HVAC system, the inoperable fire alarm system, the dilapidated structures from years of neglect. Further, the

162. All Defendants had knowledge of the false and defamatory statements made in numerous Board of Trustees meetings by Defendants Brian Knotts, Terry Holt, Tara Lockett, and other Defendant Board Members, that the forced administrative leave and ultimate termination of the Plaintiff was entirely without cause.
163. The false and misleading statements related to financial mismanagement of the Plaintiff; the false and misleading information that the Plaintiff had breached the contractual agreement; the false and misleading information that the Plaintiff had accepted another job; and the false and misleading information that Plaintiff had violated board policies; are the basis of the spoken words by the Defendants to faculty, parents, other board members and to members of the public to explain the forced administrative leave and subsequent termination of the Plaintiff.
164. The intentional act by the Defendant Board Members and the letter sent to the Plaintiff that fails to state a cause for termination; produces the assumption that the Defendants forced administrative leave and termination of the Plaintiff simply to conceal financial mismanagement by the Defendants. In addition, the refusal of the Defendants to conduct a "State of the School" meeting after terminating the Plaintiff, and in the interim replacing the Plaintiff with a temporary Head of School, and increasing tuition significantly in the first year after Plaintiff's wrongful termination are all intentional acts that have followed the false and misleading statements made by the Defendants.
165. The intentional act by the Defendant Board Members to cosmetically cover mold with paint, to use "walkie talkies" to alert teachers of fire and smoke matters, and temporarily patching leaks and providing extra trash cans to collect the water dripping from the ceilings of the classrooms and daycare rooms in which children remain after the Plaintiff repeatedly reported the issues to the Defendants Board of Trustees and requested funds

- for the repairs; further proves Defendants Board of Trustees and Defendants St. Luke's Episcopal Church intentionally disregarded the dilapidated conditions of the facilities which still remain in a state of disrepair, resulting in hazardous health and safety conditions that threaten the students and faculty attending the lower (Japonica) campus.
166. The Defendants to terminate the Plaintiff and denial of his contractual salary as an employee and Head of School under the terms of his contract resulted in harm to the Plaintiff and he incurred damages.
167. Defendants unlawful and discriminatory actions based in part on the age of the students and the lack of awareness of the children and parents through misinformation and neglect to provide information by the Defendants was willful and was a conscious disregard of the health and safety of the Plaintiff's children and the children of other parents enrolled on the lower campus (Japonica) of St Luke's Episcopal School.
168. The Defendant's reckless conduct toward the Plaintiff and his children as well as the other children enrolled at the lower (Japonica) campus showed conscious disregard of Plaintiff's protected rights and the Plaintiff is entitled to an award of punitive damages.
169. Pursuant to § 6-11-21 the Plaintiff seeks Punitive damages not to exceed certain limits.
- a. Except as provided in subsections (b), (d), and (j), in all civil actions where an entitlement to punitive damages shall have been established under applicable laws, no award of punitive damages shall exceed three times the compensatory damages of the party claiming punitive damages or five million dollars (\$5,000,000.00), whichever is greater.

WHEREFORE, premises considered, the Plaintiff respectfully requests this Court enter judgment against the Defendant and award damages to the Plaintiff in the amount of Five Million Dollars (\$5,000,000.00) and for any such other, further, or different relief to which he may be entitled, including punitive damages and reasonable attorney's fees and the cost of the Action.

245. The Defendants have failed to financially compensate Plaintiff in accordance with the written employment agreement of the parties.
246. The Defendants breached the employment agreement with Plaintiff and wrongfully terminated Plaintiff by committing deliberate acts of retaliation and unfair dealings.

COUNT VII

ABUSE OF POWER AND PROCESS AGAINST THE ST LUKE'S SCHOOL BOARD, ST LUKE'S CHURCH, ST LUKE'S VESTRY AND TRUSTEES

250. Plaintiff adopts and realleges paragraphs one (1) through two hundred forty-nine (249) as if set forth fully herein. This claim arises under the laws of the State of Alabama prohibiting breach of Contract.

251. Plaintiff adopts and realleges that the Defendants deliberately, maliciously, fraudulently and publicly, by word of mouth and written statements, defamed Plaintiff's professionally and individually by fraudulently and intentionally asserting through misrepresentation, deceit, or concealment of a material fact such that the concealing party, Defendants Brian Knotts, and other members of the School Board used to breach the contract of the Plaintiff and terminate him and refuse to pay the Plaintiff pursuant to the terms of his employment agreement with Defendants St. Luke's Episcopal School, School Board, Board of Trustees, Vestry, and St. Luke's Episcopal Church.
252. At all times relevant to this action the Defendants, Board of Trustees, have misused their position of power to take unjust advantage financially of other families enrolled at St. Luke's Episcopal School by enabling friends and family members of the Board of Trustees to receive financial assistance without complying with the policy to submit financial applications and receive the same consideration as all other families enrolled in the school; thereby taking advantage of other families and requiring them to incur financial costs in excess of what others are required to pay.
253. At all times relevant to this action the Defendants, Board of Trustees, have misused their position of power to take unjust advantage financially of other families enrolled at St. Luke's Episcopal School by enabling family members of student athletes to receive financial assistance without complying with the policy to submit financial applications and receive the same consideration as all other families enrolled at the school; thereby taking advantage of other families and requiring them to incur financial costs in excess of what others are required to pay. In several instances the family members of athletes receive financial assistance even after the student athlete is no longer at the school.
254. At all times relevant to this action, the named Defendants in this action have acted in bad faith, have failed to treat the Plaintiff fairly and equitably, and have failed to provide just compensation for services and terms of his employment contract.

255. The elements of the tort of abuse of process and power pursuant to *C.C. & J., Inc. v. Hagood*, 711 So. 2d 947, 950 (Ala. 1998) are:
- v. The existence of an ulterior purpose
 - vi. A wrongful use of process and
 - vii. Malice
256. Defendant's ulterior motive must culminate in an actual abuse of process by perverting it to a use to obtain a result which the process was not intended by law to effect ... *Dempsey v. Denman*, 442 So. 2d 63, 65 (Ala. 1983)(quoting 72 CJS Process §120, pp. 1190-91(1951)).
257. Defendants retaliated against the Plaintiff for questioning the failure of the Board to follow the Board policy and procedure, and for failure to implore sound fiscal strategies to ensure the equity of treatment of students requesting financial aid at St. Luke's.
258. Defendants retaliated against the Plaintiff for questioning the failure of the Defendants Board of Trustees to follow their own Board of Trustees policy and procedure, and for failure to adhere to the non-discrimination policies of the Episcopal Church for which the school is attached.
259. As a result of the Defendants' action collectively, Plaintiff has suffered financial loss, loss of dignity, embarrassment, humiliation, and emotional distress and is due to have an award of monetary damages and other relief.

WHEREFORE, Plaintiff seeks an award of lost employment benefits, wages, back pay, front pay, interest, compensatory and punitive damages for the loss of career opportunities, humiliation, embarrassment, mental anguish, costs, attorney fees, and any and all such other relief the trier of fact may assess.

COUNT VIII
CIVIL CONSPIRACY AGAINST PLAINTIFF BY DEFENDANTS

260. Plaintiff adopts and realleges paragraphs one (1) through two hundred fifty nine (259) as if set forth fully herein. This claim arises under the laws of the State of Alabama.
261. Plaintiff adopts and realleges that the Defendants deliberately, maliciously, fraudulently and publicly, by word of mouth and written statements, defamed Plaintiff's professionally and individually by fraudulently and intentionally asserting through misrepresentation, deceit, or concealment of a material fact such that the concealing party, Defendants Brian Knotts, and other members of the School Board used to breach the contract of the Plaintiff and terminated him as well as refused to pay the Plaintiff pursuant to the terms of his employment agreement with Defendants St. Luke's Episcopal School, School Board, Board of Trustees, Vestry, and St Luke's Episcopal Church.
262. The Defendants conspired to retaliate against Plaintiff for engaging in speech protected by the First Amendment in violation of 42 U.S.C. § 1985 and Alabama law. *Stern v. Leath*, No. 3:18-CV-807-WKW [WO], at *1 (M.D. Ala. July 8, 2021):

Pursuant to 42 U.S.C. § 1985 (3) **Depriving persons of rights or privileges**

viii. "If two or more persons in any State ... conspire or go in disguise on the highway or on the premises of another, for the purpose of depriving, either directly or indirectly, any person or class of persons of the equal protection of the laws, or of equal privileges and immunities under the laws; ... or to injure any citizen in person or property on account of such support or advocacy; in any case of conspiracy set forth in this section, if one or more persons engaged therein do, or cause to be done, any act in furtherance of the object of such conspiracy, whereby another is injured in his person or property, or deprived of having and exercising any right or privilege of a citizen of the United States, the party so injured or deprived may have an action for the recovery of damages occasioned by such injury or deprivation, against any one or more of the conspirators.

263. Plaintiff alleges that the Defendants conspired to create the underlying counts asserted

hereinafter.

264. The Defendants engaged in concerted action to achieve an improper purpose or lawful purpose by unlawful means to seek revenge on Plaintiff for his lawful actions in reporting the discrepancies of the board in applying policies and procedures, in asserting the safety issues related to unsafe conditions on the lower campus and the Defendants further created a hostile environment for the Plaintiff in engaging in actions to protect himself and his legal rights under his contract.
265. The Plaintiff was not provided any explanation as to his alleged conduct that warranted his termination.
266. The Plaintiff was not afforded any information with which to modify or change any alleged conduct that may ultimately result in termination.
267. Plaintiff's termination is a prime example of a discriminatory practice within the St. Luke's Board of Trustees.
268. Upon information and belief the Defendants Board of Trustees failed to comply with the policies and procedures including the policy related to discrimination, employment, termination, and confidentiality of the Board of Trustee meetings.
269. Upon information and belief the Defendants Board of Trustees failed to comply with the policies and procedures related to the enforcement of the mission statement of the school and the teachings of the Episcopal Church.
270. As a direct and proximate result of the unlawful conduct committed by the Defendants, Plaintiff has suffered and continues to suffer mental anguish, emotional distress, including but not limited to humiliation, embarrassment, stress and anxiety for which the Plaintiff is entitled to an award of monetary damages and other relief.

WHEREFORE, Plaintiff respectfully requests the Court:

- ix. Grant a permanent injunction enjoining the Defendants, their officers, successors, assigns and all persons in active concert or participation with Defendants, from engaging further in its discriminatory treatment and retaliation against Pascavage based of the protected speech and actions in furtherance of protecting the health and safety of the minor children on the campus of St Luke's Episcopal School;
- x. Enter an order of Declaratory judgment that the actions, conduct and practices of the Defendants complained of herein violated the laws of the United States;
- xi. Issue an order to award damages in an amount to be determined at trial, plus prejudgment interest, to compensate Plaintiff for all monetary and on economic damages;
- xii. Issue an order awarding damages to be determined at trial, plus prejudgment interest, to compensate Plaintiff for all non-monetary and/or compensatory damages, including but not limited to, compensation for mental anguish and emotional distress, humiliation, embarrassment, stress and anxiety, loss of income, defamation;
- xiii. Issue an award of costs that Plaintiff has incurred in this action, as well as Plaintiff seeks a reasonable attorney fee to be the fullest extent permitted by law;
- xiv. Order Defendants and their agents to refrain from further harm and retaliation against the Plaintiff;
- xv. Order Defendants and their agents to make Plaintiff whole by providing monetary damages for all financial loss, including but not limited to front pay, back pay, and prejudgment interest, in amounts to be asserted and proven at trial; and other affirmative relief necessary to eradicate the effects of the Defendants unlawful employment practices, including but not limited to the Plaintiff's termination;
- xvi. Award the Plaintiff nominal, compensatory, punitive and liquidated damages;

will Award the Plaintiff costs and expenses (including reasonable
attorney fees; and

FACTS

20. On or about November 22, 2019, Plaintiff signed an employment Contract with St. Luke's Episcopal Church, Vestry, and St Luke's Episcopal School Board of Trustees following a lengthy search process for the position of Head of School. In signing the contract the parties put the terms of the agreement in writing. The Plaintiff was hired to serve as Head of School (Head Master) under the supervision of the St. Luke's Episcopal Church and School Board of Trustees, effective on July 1, 2020, and to continue until June 30, 2025. The Defendants serving on the Board of Trustees and a party to the contract, were tasked with the annual evaluation of the Plaintiff and the supervisory implementation of the approved budget, ensuring compliance with the teachings of the Episcopal Church, and the operation and maintenance of the school facilities as well as maintaining the health and safety of the students and faculty attending school.
20. In said Contract Agreement, the Defendants agreed that the Plaintiff would receive an annual salary of \$200,000.00 for the 2020/2021 school years. The Defendants also agreed that the Plaintiff was to receive a 2% increase in salary each year, or increase equal to the average percentage increase provided generally to the faculty for the same school year, whichever is higher.
21. The Defendants also agreed in the employment Contract that the school shall pay the premium for family health insurance coverage not to exceed \$1,540.00 per month during

any year of employment for an annual fee of (\$18,480) eighteen thousand four hundred eighty dollars.

22. The Defendants agreed under the Plaintiff's written Employment Contract that Plaintiff's natural or adopted children, who are members of the Plaintiff's household with principal residence in the Plaintiff's household, who are accepted and attend the school, shall receive (100%) tuition remission for each year they attend the school during the terms of the Agreement.
23. The Plaintiff's employment contract also stated that the Defendant school would reimburse the Plaintiff for life insurance premiums not to exceed \$350.00 per quarter, for an annual fee of (\$1400) fourteen hundred dollars. The Defendants breached this agreement.
24. The Plaintiff's employment contract stated that the Defendant school and Board of Trustees would pay the Plaintiff's monthly membership dues up to \$450.00 per month at a club of Plaintiff's choice; for an annual fee of (\$5400) five thousand four hundred dollars. The Defendants Breached this agreement.
25. The Plaintiff's employment contract stated that the Plaintiff, Employee may participate in the School's retirement plan in accordance with the terms, conditions, and requirements of the plan and the Defendants would provide a percentage match to the plan. The Defendants breached this agreement with the Plaintiff at the time of wrongful termination of the Plaintiff.
26. The Plaintiff's employment contract also stated that the school would pay Plaintiff \$15,000.00 in relocation expenses for which the Defendants breached and did not assist in the relocation of the Plaintiff following wrongful termination.
27. During Plaintiff's time as Head of School, Plaintiff officially stated to members of the Executive Committee, the Finance Committee, the Facilities Committee, the Rector, the School Board, and the complete Board of Trustees in scheduled board meetings, that

many of the financial, ethical, and establishment rules and/or policies of the school, were not consistent with the teachings of the Episcopal Church, were not consistent with the advertisement and inducements contained therein to which the Plaintiff applied for the Head of School position. Further, some unwritten expectations were unenforceable and were not listed in the handbook provided to parents and students for the year

28. During Plaintiff's time as Head of School, Plaintiff officially stated to members of the Executive Committee, the Finance Committee, the Facilities Committee, the Rector, the School Board, and the complete Board of Trustees in scheduled board meetings, that many of the financial, ethical, and establishment rules and/or policies of the school were not consistent with the safety and health codes of the City of Mobile, County of Mobile or the State of Alabama. The Plaintiff asserted that the state of the facilities on the lower (Japonica) campus, were a cause for health and safety concerns for the children and faculty working and attending classes on said campus. Plaintiff felt these issues needed to be addressed prior to someone being injured or having a significant health issue as a result of non-functional fire alarm system, the absence of sprinklers, the leaking roofs, and the mold circulating in the classrooms and HVAC system. However, these issues were not addressed by the Board of Trustees, the School or Church. Plaintiff asserted that these issues were inconsistent with the expectations of a safe and healthy environment for the students enrolled in the school daycare, or the parents who were contractually obligated to pay tuition to an institution that was neglecting the health and safety of its students. Further, some of these issues were also listed in the handbook provided to parents and students for the year indicating that the school did provide a healthy and safe facility for the children in attendance.
29. The Defendants attempted to enforce unwritten rules and/or policies that were in violation of, or inconsistent with the teachings of the Episcopal Church. Plaintiff voiced concerns regarding these issues and further voiced many health and safety concerns within the school that affected the children and school community. In addition, the Board of Trustee Members including Defendant Brian Knotts, were aware of many other issues

such as problems with the Alabama High School Athletic Association and students enrolled in the School Athletic programs.

30. The Defendants required a computer program implemented within the school to be installed on all devices of students which resulted in the School NETREF program taking over the camera of these devices without parental consent and without informing parents and students of the capabilities of the program.
31. The Defendants had adverse reactions to the Plaintiff implementing and encouraging the teachings and general inclusion of any/all groups consistent with the teachings of the Episcopal Church. In such, that all minorities were welcomed and encouraged to enroll in the school and participate in its activities. The Defendants displayed open discrimination toward minorities attending the school including statements made by Board of Trustee members that the Plaintiff encouraged the "wrong kind" of minorities to enroll in the school.
32. Plaintiff created the position of Director of Program Operations for the purpose of making sure that there was someone at the administrative level who was focused on the safety, security, maintenance, and repair of the various issues within the facility that Plaintiff asserts, had been neglected by the Board of Trustees for years.
33. Plaintiff made statements and voiced concerns as asserted in paragraph 27-32 hereinabove, to and in the presence of, members of the Facilities Committee, including Roy Price, Mitch Crumpton, Windy Bitzer, Elizabeth Boone, Terry Hold, Kim Dolbear, Brian Knotts and Michelle Bentley and to the other Defendants in executive board meetings of the Board of Trustees, in School Board meetings, and to the Rector, Defendant Jamie McElroy.
34. Plaintiff voiced concerns to the Board of Trustees, and in particular the Facilities Committee members on more than one occasion related to serious safety issues that

included the absence of a functional Fire Safety System on the lower (Japonica) campus. The current Fire Safety system is not in working order and in further testing, the system has failed to function properly and alert faculty and students of impending smoke and fire hazards for years.

35. The cost to replace the Fire Safety System on the lower (Japonica) campus was estimated to be upwards of \$150,000. The Board of Trustee members were aware of the cost and the severity of the issues at the lower (Japonica) campus,
36. The Board of Trustees did not approve replacement or repair of the Fire Safety System and failed to notify the Mobile Fire Marshall of the failure of the Fire Safety System at that location.
37. Plaintiff informed the facilities committee of the Board of Trustees about mold in the classrooms, closets and HVAC system on the lower (Japonica) campus of St. Luke's Episcopal School.
38. Plaintiff informed the Board of Trustees' members along with the Facilities Committee of the need to address the leaking roofs and the need to address moisture problems that such leaks created at the lower (Japonica) campus of St. Luke's Episcopal School.
39. The Defendants, members of the Facilities Committee of the Board of Trustees consistently deferred the repairs and replacement of the fire safety system due to significant costs.
40. Defendants on the Facilities Committee of the Board of Trustees consistently deferred the removal and repairs necessary to eradicate the mold problems on the lower (Japonica) Campus and knowingly allowed the health and safety of the children and faculty to remain at issue.
41. The Defendants on the Facilities Committee of the Board of Trustees and the full board

of trustees avoided testing of the mold to determine what varieties of mold were present in the closets, classrooms, and HVAC system of the lower (Japonica) campus of the school based on costs associated with addressing any specific types of mold (as in black mold) that were found and identified to exist. Pursuant to Board policy the Facilities Committee shall be responsible for reviewing and performing an annual inspection of school facilities, prioritizing and making recommendations for maintenance and/or improvements to the school's physical plant. Any capital improvement not necessary to the day to day operations of the school must be approved by the Finance Committee, subject to Board approval. Any maintenance item outside those that are ordinary and customary shall be reported to the Finance Chair and Treasurer.

42. Plaintiff expressed ongoing concerns about Murray Hall and Carpenter Hall on the lower (Japonica) Campus which required substantial repairs and renovations, however the Defendants and Facilities Committee members of the Board of Trustees ignored the requests for the funds to assess and make the necessary repairs to these buildings which young children and early education students were assigned.
43. Plaintiff made statements and voiced concerns about the financial needs of the school as asserted in paragraphs 27-42 hereinabove, to and in the presence of members of the Facilities Committee, to the other Board of Trustee Defendants in finance and executive meetings and in regular Board of Trustee meetings. At all times related to these claims the Defendants were voting members of the Board of Trustees and had a fiduciary duty to provide for the health and safety of the children on both the upper and lower campus of the School.
44. Plaintiff's voiced concerns and identified issues regarding the Board of Trustees' lack of compliance with the Board of Trustees' own policy were never acted on by the Defendants. In addition to the health and safety issues as well as increasing minority enrollment, other issues included Board of Trustee members' spouses working within St. Luke's Episcopal School while also receiving a tuition break. Defendant Mitch Crumpton, Board of Trustee member and member of the Facilities Committee, has

experienced financial gain from his position in that his spouse works for the school allowing the family to received a significant tuition break; while the School facilities safety and security issues exposed the students on the lower (Japonica) campus to leaky roofs, mold, and the absence of any functional fire safety alarm system.

45. Defendant Michelle Bentley, a Finance Committee and Facilities Committee Board member, also has a spouse employed by the school. Although her husband was initially employed through another employer under contract to serve as the athletic trainer; he was later employed as a teacher at the School as approved by the Board of Trustees. Therefore, like Mitch Crumpton, who had student athletes at the school; Michelle Bentley also had a student athlete.
46. Defendants Michelle Bentley and Mitch Crumpton along with Terry Holt, Jim Rossler, Brian Knotts, and Elizabeth Boone, who all served on the Facilities Committee all had student athletes enrolled and competed in the athletic programs at the school. Each Defendant had a vested interest in Alabama High School Athletic Compliance yet the main focus in the Facilities Committee of the Board of Trustees focused on athletic facilities rather than the facilities that affected the health and safety of the lower (Japonica) campus students not involved in middle and high school athletics.
47. The Defendants on the Facilities Committee of the Board of Trustees were not the only Board of Trustees' members with children involved in athletics at St. Luke's Episcopal School. In addition, some members of the Facilities Committee also served on the Finance Committee. Defendant Brian Knotts and Michelle Bentley served on both the Finance and Facilities Committees and Defendant Jaye Patterson, Fran Garrett, Jake Baker, Robin Roberts, and Kim Dolbear also served on committees and were parents to student athletes enrolled and competing at St. Luke's Episcopal School.
48. The Board of Trustees select and choose replacements for open seats on the Board of

Trustees, therefore the financial benefits conveyed to Defendant Mitch Cumpton and his family, as well as the financial benefits conveyed to Defendant Michelle Bentley and her family, were not transparent nor were they scrutinized.

49. Plaintiff asserts this type of favorable treatment to only a few chosen, select students is a discriminatory act against the rest of the students enrolled in the school that are not. The few chosen, select friends of the Board of Trustees and do not receive large amounts of financial assistance or support.

50. Plaintiff asserts that this discriminatory practice continues today, and the acting Head of School, Suzy Banks is aware of the discriminatory practice and has continued to accept this practice without question to the Board of Trustees; despite there being no written guidelines for the implementation of this Board of Trustee habit. Defendant Suzy Banks has met with the parents of some students and has openly discussed her knowledge of said financial discriminatory practices but has made no effort to change them.

51. Plaintiff made statements and voiced concerns as asserted in paragraphs 27-50 hereinabove, to and in the presence of members of the Board of Trustees Executive Committee, Finance Committee, Facilities Committee, and to other Defendants in Board of Trustee meetings.

52. Plaintiff raised the issue of a substantial violation of Board of Trustee policy related to the employment of Board of Trustees members' spouses to the Defendants on the Executive Committee, but the Defendants never permitted this issue to be addressed with the full Board of Trustees at a board meeting.

53. Plaintiff identified concerns relating to the overall safety and security of the school as well as other financial and budget issues including the Board of Trustees granting long term financial assistance to families of athletes and friends of Board of Trustee members in perpetuity (which still continues today) without any policy or procedure for such financial exceptions to school fees, tuition, and expenses, affecting the overall

financial well-being of the School.

54. Plaintiff asserted to Defendants that the granting of long term financial assistance to family members of talented athletes, as well as the granting of financial assistance, the consented exceptions to enforcing contractual agreements, along with the granting of financial assistance to friends of Board of Trustee members without any type of objective requirements, was financially detrimental to the School and its future.
55. Plaintiff asserted to Defendants and Board of Trustees that continuing these frivolous financial actions require other students to pay elevated tuition to cover said financial assistance and scholarships given to families of athletes and friends of Board of Trustees members.
56. The use of terminology by the Board of Trustees to include conveyance of financial assistance to siblings of athletes rather than scholarship awards to athletes, may violate state rules for participation under the Alabama High School Athletic Association.
57. Since the wrongful termination of the Plaintiff, these unscrutinized financial assistance practices of the Board of Trustees, the acting Head of School, and the Administration Department continues and has resulted in an \$800 per student tuition increase for the 2023 school year.
58. Plaintiff made statements and voiced concerns as asserted in paragraph 27-57 hereinabove, to and in the presence of members of the Finance Committee, and to other Defendants in executive meetings of the School Board, and in regular Board of Trustee meetings about his concerns regarding practices by the Board of Trustees that may be violations of the accreditation standards of SACS accrediting body for the 2024 accreditation renewal.
59. Plaintiff made statements and voiced concerns related to safety, health, and well being of

the students. Plaintiff also asserted concerns related to finances, facilities, athletics, tuition, as well as the qualifications of faculty and staff. Within discussions with the Board of Trustees regarding the issues of the school budget, Plaintiff proposed plans to be implemented to address the facilities safety issues providing a long term solution to the problem. The plan proposed by the Plaintiff included an agreement between the Vestry, Church and the School, to consolidate all grades on the upper (University) campus, and allow all students from the lower (Japonica) campus be moved to the University Campus until the issues at the lower (Japonica) campus were repaired and resolved. This proposal was presented to the Defendants Board of Trustees by the Plaintiff.

60. The Plaintiff's plan to relocate the children from the lower (Japonica) campus to the upper (University) campus to allow the Board and Church to rectify the health and safety concerns for the children on the lower (Japonica) campus included both suggestions and drawings outlining practical ways to remove the students from the lower (Japonica) campus and protect them from further health and safety risks associated with the issues on the lower (Japonica) campus and afford the School an opportunity for further development, and make needed repairs and renovations to structures on the lower (Japonica) campus.
61. The Plaintiff presented his plan for the consolidation at a meeting with the Board of Trustees. After the presentation, Defendant and Board of Trustees member Terry Holt angrily declared that the idea was "stupid," however, Defendant Terry Holt offered no proposal or suggestion for any other immediate and long term alternatives to the issues with the lower (Japonica) campus and showed no interest in hearing from any other members of the Board of Trustees on said issue.
62. Defendants and members of the Board of Trustees followed the statements of Defendant Terry Holt, and refused to discuss the Plaintiff's plan to consolidate the upper (University) campus and the lower (Japonica) campus, although allowing the students to continue attending classes on the lower (Japonica) campus posed vast health and safety risks to young children.

63. Plaintiff, in fulfilling his duties as Head of School, worked with the Defendants on the Finance Committee to prepare and presented the school budget to the Board of Trustees Defendants.
64. Pursuant to Board of Trustee Policy, the Finance Committee shall, in conjunction with the Head of school, prepare a detailed budget for the succeeding fiscal year to be presented to the Board on or before its regular September meeting for Board approval. The Board of Trustees passed the proposed budget by the Finance Committee of the Board for the school year 2021-2022, 2022-2023 under the tenure of the Plaintiff.
65. The Defendants Board of Trustees, after passing the budget, used the school's financial needs for repairs, renovations, replacement and safety that were never approved by the Board of Trustees after the budget was presented by the finance committee and the Plaintiff; to complain and blame the Plaintiff for the budget constraints, the safety issues and the financial problems of the school.
66. The Defendant Board of Trustees had prior detailed knowledge of budget needs and facility infrastructure needs, and the matters for which they complained were not permitted to be considered by the entire Board for inclusion in the Budget.
67. The Defendants Board of Trustees' policy indicates that the governing body of the School shall be the Board of Trustees (the "Board") with primary responsibilities to determine the character of the school, establish policy, assure the school's financial stability, and to effectively ensure that the Head of School implements the policies it establishes.
68. All properties of St Luke's Episcopal School are held in the name of the Episcopal The Diocese of the Central Gulf Coast, and the Vestry of St. Luke's Episcopal Church (the "Vestry"), acting for the Church, exercises immediate control over them.
69. The Defendants, Board of Trustees includes a member of the Vestry as a voting board member and periodically, the Board will report its activities to the Vestry.

70. The Defendants' Board Policies indicate that the Board of Trustees shall consist of twenty-one (21) voting members, at least one-third of whom shall be active members in good standing in a parish of the Diocese of the Central Gulf Coast, and shall be composed as follows:
- [i] Two [2] members who shall be appointed by the Vestry ["Vestry representatives"];
 - [ii] Eighteen [18] members-at-large, ("at-large representatives"); and
 - [iii] The Rector of the Church.
- In addition to the foregoing, the Head of School shall serve a non-voting member of the Board.
71. In addition, the Bishop of the Episcopal Diocese of the Central Gulf Coast serves as an ex-officio member of the Board. Further, former Board Chairs in good standing may also serve as non-voting, ex-officio members of the Board upon invitation from the Executive Committee.
72. The Defendants, Board of Trustees failed to follow any policy or procedure to address the need for repairs, renovations, replacements, and safety issues; but falsely asserted the Plaintiff forced the board members to approve a budget that the school financially could not meet.
73. The Defendants, St. Luke's School Board members, Jake Baker, Windy Bitzer, Elizabeth Boone, Mitch Cumpton, Dani Moore, Kim Delbear, Shane Hale, Terry Holt, Amber Martenstein, Elizabeth Palmer-Hill, Jaye B. Patterson, David Poole, Roy Price, Robin Roberts, Lloyd Roebuck, Jim Rossler (non-voting member), Brian Trammell, Bob Will, Tara Lockett and Jamie McElroy voted to pass the Budget. The Plaintiff was a non-voting member of the Board.
74. Plaintiff made statements and voiced concerns to the Defendant Board of Trustees about the manner in which specific faculty members bullied and harassed students based on

sexual orientation, gender, race and religious beliefs that were inconsistent with the principal teachings of the Episcopal Church for which the Board of Trustees served.

75. Defendants made verbal statements outside of board meetings to faculty members and school family members and during board meetings that the Plaintiff was seeking to bring too many of those minorities to the school.
76. Plaintiff voiced concerns about the finances of the school and the discounts in tuition to the parents of school board members who had spouses that worked at the St Luke's school in violation of board policy; and athletes and their siblings, as well as friends of board of trustee members that discriminate against minority student applicants that did not participate in athletics.
77. Plaintiff voiced concerns that athletics was not the focus under the mission of the school, yet Board of Trustee members ignored the mission of the school.
78. The Mission of St Luke's Episcopal School is as follows:
St. Luke's Episcopal School (the "School") is an institution sponsored by St. Luke's Episcopal Church of Mobile, Alabama (the "Church") and is an integral part of the Church. The mission and philosophy of the School are as follows and the same may be amended from time to time as herein elsewhere provided for amendment of these Bylaws. The purpose of the School is to provide a sound preparation for higher education and the rest of life by providing quality mental and spiritual training. Regular worship experiences, extracurricular activities, and a desirable atmosphere with emphasis on such traits as honesty, courage, reverence, self-discipline, and service to others combine to provide an environment encouraging the growth of the whole person. Learning is a lifetime process. Growth in learning is unique to each child. Children learn through a variety of instructional methods and through the modeling of the behaviors of those who are important to them. They must learn to view both success and disappointment as opportunities for growth rather than as measures of their worth.

The unique role of the School is to prepare students in the context of a Christian community of love and concern to achieve academically, to develop moral values, and to interact in a socially acceptable manner. The School has a responsibility to this community to provide properly trained and experienced teachers and staff who demonstrate genuine love and respect for children and who are flexible in using a variety of materials and methods in meeting the individual needs of those children. The specific objectives of the School are to provide a program and an atmosphere in which a student may develop the following:

- an interest in learning;-
- a positive self-concept and a desire to perform to the best of his or her ability; -
- the academic and spiritual training needed for further education;
- high ethical values; and -
- the ideals of physical fitness and sportsmanship.

79. Plaintiff voiced concerns over NETREF, a computer program that the School Board approved and required the students to install on all devices that were to be used by the students in the school setting. The program could access the student's camera on any device, at any time, and take photos. The Program violated FERPA by allowing a third-party access to students' grades and records within the school setting.
80. The Plaintiff voiced concerns that the Defendants put the NETREF Program in place without presenting the program to parents, and the School required the program to be installed on technology devices (ipads, phones, laptops, and other computers) that were not school property and belonged to the students and/or their parents.
81. The Defendants failed to communicate to Parents regarding the NETREF program, and the parents of students were not presented with any releases. The NETREF program invaded the privacy of the students and collected screen shots and data from the student's devices while in use.
82. The NETREF program created privacy issues for students and parents of St Luke's

Episcopal School families, by allowing the NETREF program to access the cameras of the devices in the possession of the students; while they were working from home on projects and course work in their bedrooms, or working from a table in their homes.

83. The NETREF program could also record and track financial information if on a screen at the time the camera was activated by the NETREF Program.
84. The Plaintiff voiced concerns about the NETREF programs ability to capture and potentially capture students who may have been making online purchases through amazon etc., and were unknowingly allowing the data and information collected by the program to be stored for the use of the school. This information was not provided to the parents, and no security information was disclosed to the parents related to their children enrolled as students of the School. Ultimately, the program and contract were to be canceled and removed from all devices in the school.
85. The data and information collected from the program, which was property of the parents and students of the school, was not disclosed. The Defendants Board of Trustees, including Defendant Brian Knotts, were fully aware of the issues with NETREF, made unilateral decisions about property that did not belong to the school and did not consult parents or even inform parents of the issues related to privacy violations and/or FERPA violations related to this particular program and software.
86. The Defendants Board of Trustee members failure to notify parents of implementation of the program and the unilateral decision to require students to install the programs, circumvented the parents entirely in this particular aspect of the educational process.
87. The Plaintiff explained to the Board of Trustees that the NETREF program allowed the school to obtain any information related to any type of search history, credit card, and bank information.
88. The Plaintiff also informed the Board of Trustees that the failure to notify parents and

obtain consent on devices that the school did not own, then to potentially collect permanent information from the computers by activation of the camera for screenshots, violates the Schools authority to search student computers improperly.

89. The Plaintiff asserted to the Board of Trustees that the schools ability to access screenshots of the devices and monitor the activity of the students at times outside the schools purview and without parent consent was wrong.
90. The Plaintiff requested the parents have access to the data that had been collected on their respective children, however, the release of that information was not provided to the parents nor authorized to be provided by the Board of Trustees.
91. Plaintiff voiced concerns to the Defendants, Board of Trustees members, about the lack of communication between the School Board, parents and students numerous times over the course of his tenure as head of school.
92. The Defendants, Board of Trustees members, covered up and repeatedly failed to report infractions related to student athletes participation, financial distributions, and financial assistance.
93. The Defendant Board of Trustees members having children participating in athletics at the School, had a vested interest in not reporting the infractions and continuing to permit violations of the rules to enable the School to obtain success in athletics to the benefit of their own student athletes.
94. The Defendant Board members failed to disclose improper conduct known to them related to improper application of financial aid to members of student athlete families and relocation of student athletes after being initially approved by the AHSAA.
95. Defendants, Members of the Board of Trustees, including Defendants Tara Lockett and Brian Knotts conducted and attended a clandestine meeting following the wrongful

termination of the Plaintiff in an effort to collect information related to the violations of AHSAA policy for student athletes.

96. Defendants Tara Lockett and Brian Knotts were in attendance in the meeting described in paragraph 95 and were aware of potential AHSAA financial assistance and eligibility violations and failed to self-report the violations to the AHSAA.
97. Defendants Tara Lockett and Brian Knotts deliberately and in spite of their obligation to comply with AHSAA rules and requirements to self-report violation incidents, concealed the violations or failed to report the infractions.
98. Defendants Tara Lockett and Brian Knotts conducted a clandestine meeting including Board Members Michelle Bentley, acting Head of School, Suzy Banks, Athletic Director, Meredith Donald, and other administrators and faculty members, attempting to identify reasons to assert that any such conduct was attributed to the Plaintiff, in order to assert he was terminated for cause.
99. Plaintiff was not present in this meeting and the meeting was conducted after he was wrongfully terminated by the Board of Trustees.
100. Plaintiff terminated a faculty member based on the statements of eye witnesses including students present in the classroom when a faculty member made inappropriate and discriminatory statements inconsistent with the teachings of the Episcopal Church that were publicly propounded to a student in the class. The conduct included discriminatory statements by a faculty member that were directed at the student's gender, sexual orientation, and were isolating and harmful to the student and in addition, violated the rights of the student to be safe from physical and verbal harm in the school's educational setting.
101. Plaintiff and administrative team member Doug Estle, complied with the student handbook in relation to the high school prom and dress code for the school during the

prom. Plaintiff and the administrative team member Doug Estle also complied with the students' personal grooming rules and student dress code modifications that were made by the School Board.

102. Defendants Board of Trustees school policy modifications to dress code were made by the School board during Plaintiff's tenure as head of school.
103. Defendants Board of Trustees members, attempted mid-year to create new rules and demand enforcement of a different set of school rules and dress code policies that were not published to students and families. The Plaintiff voiced his concerns and objections to the implementation of rules and policies that students and families were not given notice about.
104. Following the 2022 St.Luke's Episcopal high school prom, Defendants and members of the Board of Trustees made complaints that were brought to the attention of the administrative team attending the Prom and enforcing the code of conduct and the written policies of the Defendant School. Defendant Board Members made statements including that the Plaintiff was permitting too many of the "wrong kind of minorities" to be enrolled at St.Luke's Episcopal School. These statements by Defendant Board Members were discriminatory in nature and not consistent with the teachings of the Episcopal Church and violated the same policies that were asserted by the Plaintiff to the Defendant and Rector Jamie McElroy and Board of Trustee members at earlier meetings. At all times herein, St Luke's is an Episcopal School owned by St. Luke's Episcopal Church.
105. ARTICLE NINE of the Board of Trustees Policies at St. Luke's Episcopal School asserts a NON-DISCRIMINATION POLICY, stating, the School does not discriminate on the basis of race, color, religion, gender, or national/ethnic origin with regard to admissions procedures, scholarship and loan programs, or in any of the athletic or other school administered curricular programs. The School does not discriminate on the basis of race, color, religion, gender, disability, national/ethnic origin, or age in any of its policies or administration of those policies pertaining to hiring or employment practices. The

Defendants failed to comply with this policy.

106. In compliance with the teachings of the Church and school Board of Trustee policies, the Plaintiff defended the rights of students to be safe in the school setting and to not be bullied, harassed, and discriminated against regardless of gender, ethnicity, sexual orientation and religious beliefs. Plaintiff defended "the kind of minorities" that Defendants and some members of the Board of Trustees asserted, were not welcome at the Episcopal School. The Plaintiff was wrongfully terminated based in part on this action.
107. During Plaintiff's time as Head of School, Plaintiff officially made statements and voiced concerns to the Defendants about many financial, ethical, and policy violations as well as health and safety concerns. These concerns were voiced in the presence of members of the executive committee and to Defendants in executive meetings of the School Board, in School Board meetings and in meetings with the Board of Trustees.
108. Plaintiff's statements to the Defendants related to the issues identified herein above included the existence of mold in the air ventilation system and ceilings of lower school campus classrooms associated with the K-2 and K-3 childcare programs. Plaintiff believed funds needed to be allocated to repair or replace the roof, ventilation systems, and building structures in order to comply with city, county, and state regulations.
109. After receiving estimates related to the repairs and/or replacement of the lower campus Fire Safety System, the Defendants precluded further discussions about the water damaged lower campus classrooms and buildings where the existence of hazardous mold existed. The Defendants failed to make requested monetary allocations to correct the mold and hazardous materials issues.
110. The Defendants continued to refuse to take action to remove and repair the ventilation system, leaking roofs, water damaged classrooms despite having been provided photos, mold reports, visual inspection of damages, and reports of the existence of the mold and

hazardous substances in the air ventilation system of the lower (Japonica) campus classrooms. The Defendants' failure to acknowledge and repair the issues impacted many vulnerable young children. St. Luke's Episcopal School demanded contractual payments from the parents of these children to provide for their safety and care, but made no effort to make the necessary repairs to ensure the children's well-being.

111. The Defendants had a duty to all students enrolled at the School, including the children of the Plaintiff, to ensure their safety and wellbeing by maintaining a working fire alarm system, to ensure that mold in the HVAC system was treated and removed properly, to repair leaking roofs and damaged buildings from years of neglect, and also to ensure the children of the Plaintiff and all other children attending St. Luke's Episcopal School in Mobile, Alabama were not placed in harm's way as a result of hazardous and harmful conditions at the lower (Japonica) Campus. In signing the contract with each of the parents that enrolled their children at the School, the School had a duty to each of these parents under the school parent student handbook. These Defendants breached the agreement with the parents of all students on the lower (Japonica) campus including the Plaintiff. The Defendants breached their contractual agreement with the Plaintiff as well as their contractual obligations to all parents and children of the School community.
112. Plaintiff stated to Executive Committee members of the Board, other members of the Board of Trustees, and to Defendant Rev. Jamie McElroy, Rector, that he believed the School Board repeatedly violated Board policy related to recruitment and scholarships programs. Plaintiff voiced to Defendant McElroy that he felt the recruitment and scholarship program policies should be reviewed, especially in the case of athletes and in providing financial assistance in perpetuity to younger siblings of athletes in an effort to encourage an athletic member of the family to attend the School.
113. Plaintiff voiced concerns to the Board of Trustees that these discriminatory School Board policies to extend financial assistance and allowances may have been violations of Alabama High School Athletic Association Policies. Despite the concerns presented by the Plaintiff as the Headmaster, Defendants failed to take the concerns and

recommendations under advisement.

114. Defendants took no action on any issue identified hereinabove when presented by the Plaintiff. Defendant Bishop Russell Kendrick was aware of the issues with the Board and the inconsistent policies the Defendant Board of Trustees was attempting to implement and took no action.
115. Plaintiff asserted that there had been a mismanagement of funds allocated to the school as approved in the budget by the Board of Trustees for payment of the schools financial and academic obligations. Defendants were angered by this assertion.
116. Plaintiff continued to report to the Board and voice his concerns about the health and safety of the children and students enrolled at the Defendant School. The issues that were continually voiced were known to the Defendants Board of Trustees, and no effort was made to correct these issues. After repeated requests for change, Plaintiff was placed on administrative leave and was subsequently terminated without notice of cause within 1 weeks from being placed on administrative leave. The Plaintiff received no reason or notice for being placed on administrative leave.
117. In the Contract Agreement, entered into knowingly by all parties, Section 6, (Termination), Subsection C, (By the School without Cause) states the following "The School shall have the right to terminate this Agreement "Without Cause" by giving the Employee notice of termination on or before the next calendar date of April 1 and upon the School paying to the Employee an amount equal to Employee's compensation remaining due until the same next calendar date of April 1 plus one complete year of Employee's compensation set forth on Exhibit A (except for moving expenses) hereto (the "Effective Date of Without Cause Termination"). Employee shall be obligated at the sole pleasure of the School to continue to fulfill his obligations under the terms of this Agreement until the same next calendar date of April 1. If the School decides that Employee shall continue to fulfill his obligations for longer than one (1) month for the such transitional purposes, then the payment of base salary under this Section 6 (c) shall

be paid in the normal course (as before the Effective Date of Without Cause Termination) with the balance due in the last month of Employee fulfilling said obligations under the terms of this Agreement at the pleasure of School.

118. On or about November 8, 2022, Plaintiff received a letter from Defendant Tara Lockett, Vice Chairman of the Board of Trustees, acting also as counsel for the School and Board of Trustees, stating that Plaintiff was being placed on administrative leave. Plaintiff was given no reason or explanation as to the Board of Trustees decision to place him on administrative leave and he was given no instructions on how to resolve any issue if any existed for the reason of being placed on administrative leave.
119. Further, Plaintiff was afforded no notice of any failure to comply with any Board of Trustee policy; Plaintiff was afforded no due process, nor was he given a hearing for any reason; as no reason was provided to the Plaintiff for being placed on administrative leave.
120. The Plaintiff was not afforded an opportunity to be heard as to any issue nor was he granted an opportunity to rectify any grievance prompting the Defendants Board of Trustees discussion and vote to place him on administrative leave.
121. On or about November 16, 2022, undersigned counsel and Defendant Tara Lockett, who at the time was acting as both a voting member and Vice Chairman of the Board of Trustees and legal counsel for the School engaged in communications to force Plaintiff to resign.
122. No Board member including Vice Chairman of the Board of Trustees, Defendant Tara Lockett, provided any reason for the necessity of placing the Plaintiff on administrative leave or for requesting his resignation and further no reasoning was provided by Defendants to the Plaintiff for termination of the Plaintiff.
123. Defendant Tara Lockett permitted Defendant Rev. Jamie McElroy, Rector, a Board

member to meet and communicate directly with the Plaintiff to encourage him to accept the terms of termination of employment which were not in compliance with the terms of the Plaintiff's contractual agreement nor were they based in fact with St. Luke's School Board, Board of Trustees or St. Luke's Episcopal Church.

124. Defendants sought exclusive control of the separation of the Plaintiff from his employment with the school in requiring Plaintiff to accept terms that would be unenforceable that gave no assurances of school board compliance and no definitive terms for payment.
125. Defendants knowingly violated and breached the contractual employment agreement with the Plaintiff.
126. Defendants Brian Knotts, Tara Lockett, and other Defendants, Board of Trustees members, provided misleading information to encourage an affirmative vote by the board to terminate the Plaintiff and remove him from his position.
127. The false information that was presented to Defendants Board of Trustees members included Plaintiff had interviewed and accepted other employment, that the Plaintiff mismanaged funds, and that he violated policies of the Board of Trustees.
128. Defendants Tara Lockett and Brian Knotts presented to the other Defendant Board Members that the Plaintiff had accepted another job, this misinformation was a false statement.
129. None of these assertions identified in 127 were presented to Plaintiff in the letter of termination from the Board of Trustees.
130. Plaintiff's Contractual Agreement with St. Luke's Episcopal School stated that he was to serve as head of school (Head master) of St. Luke's Episcopal School beginning

November 19, 2022. The Contractual Agreement with the Plaintiff was to remain in effect until June 30, 2025.

131. Plaintiff, through undersigned counsel, and the School, through Defendant Tara Lockett, acting as Vice Chairman of the Board and as the Attorney for the Board of Trustees, attempted negotiations to resolve the attempts by the school to wrongfully terminate the Plaintiff through December 2, 2022; however, the Board of Trustees and School Board refused to negotiate in good faith, failed to honor the Contractual Agreement entered into by both parties in November, 2019, and additionally breached the contractual agreement by participating in libelous and slanderous statements to outside members of the community, parents of students enrolled at the School, teachers employed by the School and other School employees.
132. Defendants conducted a meeting shortly after terminating the Plaintiff without cause to collectively discuss the Plaintiff and attempt to identify a reason that could be asserted by the School Board Chair, Defendant Brian Knotts, in support of the termination of the Plaintiff.
133. On or about December 9, 2022, Defendant Brian Knotts, Chairman of the Board of Directors, sent a certified letter to the Plaintiff stating that the Board of Trustees had voted on December 8, 2022, to terminate his Employment Agreement with cause, however, Plaintiff received no documentation as to the cause of the termination, nor was any cause stated in the letter that was forwarded to the Plaintiff by Defendant Brian Knotts.
134. Defendants Brian Knotts, Mitch Cumpton and Roy Price had various discussions with non-board members and school family members regarding various issues with faculty members, administrative members and members of the athletic department. These discussions also included issues asserted regarding the cheerleading coach and issues the Plaintiff had previously made to the Board of Trustees including the harassing conduct of cheerleading coach De'Armon. These Defendants informed non-board members and

parents of students that the Head of School controlled the administrative running of the school and the Board could not do anything about the conduct of De'Armon.

135. Defendants Brian Knotts, Mitch Cumption and Roy Price claimed to parents of students that the Plaintiff controlled the administrative running of the school and the Board could not do anything about either of the named individuals.
136. Defendants having knowledge that these allegations and assertions were not true, continued to make libelous and slanderous comments about the Plaintiff to parents, faculty, administrators and members of the community; that were and are detrimental to the Plaintiff's reputation and character as an educator and administrator.
137. Due to the actions of the Defendants, the Plaintiff has been unable to secure employment and has suffered and continues to suffer irrevocable professional, emotional, and mental damage for which he is entitled to monetary reward of damages and other relief.
138. The Defendants took retaliatory action against the Plaintiff for opposing the Board of Trustees lack of action toward the reported safety and health related problems within the facility; for the Plaintiff's opposition of the contradictory Board of Trustee demands placed upon students and student activities; for the Plaintiff's opposition to the Board of Trustees the lack of consideration for the Teachings of the Episcopal Church, as well as other reports to the Board of Trustees including improper treatment of students; for the Plaintiff's opposition to the lack of adequate funding to the Fine Arts Department due to the disparaging funding to the Athletics Program. While all of the concerns and issues posed to the Board of Trustee by the Plaintiff were in the best interest of the school, its students, and were aligned with the teachings and belief of the Episcopal Church, the Plaintiff's attempt to address these concerns and rectify the issues; it also resulted in the adverse, retaliatory action of the Defendants to vote to terminate the Plaintiff in breach of contract and without cause.

THEREFORE, Plaintiff alleges the following claims against the Defendants jointly and individually:

COUNT I – WRONGFUL TERMINATION

139. Plaintiff realleges paragraphs one (1) through one hundred-twenty-eight (128) as if set forth fully herein.
140. Plaintiff adopts and realleges that the Defendants owed a duty to the Plaintiff to adhere to the Contractual Agreement drafted and proposed by their institution.
141. Section 6(b) of the Contractual Agreement states that “the “Employee” shall receive notice in writing if “Terminated With Cause,” as of effective of date of termination, all obligations of the School to the “Employee” are terminated and all rights previously owed to you are forfeited.”
142. Defendants’ failed to give cause for Termination, and were aware they failed to give cause.
143. The Plaintiff was put on administrative leave without cause or written notice of the reason for administrative leave.
144. The same Contractual Agreement states that if the “Employee” is “Terminated with no Cause,” the school agrees to pay salary to April 1 of the current year and one year of Employee’s compensation, plus other contractual obligations until April 1st of the next calendar year. Defendants terminated Plaintiff’s Employment Agreement as to prevent payment of funds for which they were contractually liable.
145. Plaintiff entered into a written contract with Defendants to be the Head of School at St. Luke’s Episcopal School for the term of July 1, 2020, to June 30, 2025; Defendants Terminated Plaintiff’s employment without cause, then refused to honor their contractual obligations under the employment agreement to the Plaintiff. Defendants breached the contract with the Plaintiff resulting in financial damages.

146. The Plaintiff was terminated as a retaliatory action by members of Defendants Board of Trustees for what was believed by some board members to be a liberal view of social norms at the school despite being consistent with the teachings of the Episcopal Church for inclusion.
147. The Plaintiff was terminated as a retaliatory action by members of Defendants Board of Trustees for what was believed by some members of the Board of Trustees to be actions that were deemed fiscally improper. The Plaintiff opposed a discussion that was had with members of the Board of Trustees where it was asserted that an insurance claim following a storm could save the school hundreds of thousands of dollars in repairs to the leaky roofs and mold infested classrooms on the lower campus at the school, despite the members of the Board of Trustees being completely aware of the pre-existing dilapidated conditions.
148. The Plaintiff was terminated as a retaliatory action by members of Defendants Board of Trustees for actions that were deemed inconsistent with the history and manner in which the St. Luke's Episcopal School Board of Trustees had historically wielded power and control over employees, students, and families on the campus of St. Luke's Episcopal School.
149. Plaintiff and his methods of administration were consistent with the teachings of the Episcopal Church; certain members of the Board of Trustees felt that the Plaintiff's actions were inconsistent with the procedure in which the Board of Trustees had historically governed St. Luke's Episcopal School, its students, and faculty.
150. The Plaintiff was terminated as a retaliatory action by members of Defendants Board of Trustees for what was believed by some members of the Board of Trustees to be actions that were deemed inconsistent with the history and manner in which the St. Luke's Episcopal School Board of Trustees had not previously protected nor supported diversity in students enrolled with the school or participating in school activities. These included

diversities in gender, race, and sexual orientation. The Board of Trustees also attempted to impose their views on diversity and preclusion of diversified groups on the employees, students and families on campus. The Plaintiff encouraged diversity as it is consistent with the teachings of the Episcopal Church for inclusion. However, certain members of the Board of Trustees felt the Plaintiff's actions were inconsistent with the procedure in which the Board of Trustees had historically operated.

151. The Plaintiff was terminated as a retaliatory action by members of Defendant Board of Trustees for questioning the actions of certain members of the Board of Trustees and their failure to follow certain policies and procedures of the Board of Trustees and the employment of spouses of Board of Trustee members by the school. This violation of policy had historically not been questioned, and allowed the Board of Trustees to make non-transparent decisions without any accountability.
152. As the direct and proximate result of Defendants' Wrongful Termination of the Plaintiff, and the actions of the Defendants to violate the rights of the the Plaintiff, the Plaintiff suffered direct and foreseeable damages in amounts exceeding Five Million Dollars (\$5,000,000.00), as well as the cost of moving, loss as to costs of health, vision and dental insurance, costs associated with his children's education, and attorney's fees and expenses associated with this litigation.
153. As a direct and proximate result of Defendants' unlawful discriminatory conduct in violation of 42 U.S. Code Section 1981, Plaintiff has suffered and continues to suffer, monetary and/or other economic harm for which he is entitled an award of monetary damages and other relief.
154. The Plaintiff brings this action for employment discrimination/retaliation pursuant to Title VII of the Civil Rights Act of 1964, 42 USC §2000e et seq. ("Title VII") and violation of §1981 of the Civil Rights Act of 1866, 42 U.S.C. §1981.
Pursuant to 42 U.S.C. §1981:

(b) "MAKE AND ENFORCE CONTRACTS" DEFINED

WHEREFORE, premises considered, the Plaintiff respectfully requests this Court enter judgment against the Defendants and award damages to the Plaintiff in the amount of Five Million Dollars (\$5,000,000.00) and for any such other, further, or different relief to which he may be entitled, including punitive damages and reasonable attorney's fees and the cost of the action.

TO PLACE THE HEALTH AND SAFETY OF THE CHILDREN
ENROLLED ON THE LOWER CAMPUS IN JEOPARDY FOR WHICH
THE PLAINTIFF'S CHILDREN WERE ENROLLED
INDUCE BOARD VOTE TO TERMINATE**

155. Plaintiff realleges paragraphs one (1) through one hundred forty-one (141) as if set forth fully herein.
156. Plaintiff adopts and realleges that the Defendants owed a duty to the Plaintiff to honor the contractual Employment Agreement that the Plaintiff and Defendants knowingly and

collectively authorized and endorsed the use of false information, both spoken and written, about the character and fitness of the Plaintiff.

157. All Defendants had knowledge of the safety and health hazards on the lower (Japonica) School campus and with reckless indifference to the consequences, consciously and intentionally declined to allocate funds from the budget or move the children from the lower (Japonica) campus to the upper (University) campus as suggested and requested by the Plaintiff.
158. All Defendants had a duty to protect the health and safety of the children/students enrolled at St. Luke's School on the lower (Japonica) campus and with reckless disregard and indifference to the consequences, The Defendants consciously and intentionally failed that duty.
159. The Plaintiff made it known to the Defendants of their duty to protect the health and safety of the children attending the lower (Japonica) campus. Plaintiff also asserted to the Defendants the need for the Defendants Board of Trustees to act on behalf of that duty to protect the children. Defendant Terry Holt was boisterous and verbally resistant to this action. Defendant Terry Holt made his position known by stating it was a "stupid idea" and he would not happen.
160. Defendants acted in concert with the statements of Defendant Holt based on the inaction of all Defendants to take action. The Plaintiff's insistence and verbal acknowledgement of the health and safety issues for all the students on the lower (Japonica) campus, including his own children, was a contributing and proximate cause of the action taken by Defendant Board of Trustees to retaliate and wrongfully terminate the Plaintiff resulting in financial injury to the Plaintiff as part of the basis of this action.
161. Defendants ignored the hazardous mold in the buildings and HVAC system, the inoperable fire alarm system, the dilapidated structures from years of neglect. Further, the

Defendants ignored the Plaintiff's health and safety concerns by refusing to move the students and children enrolled in the day care and lower (Japonica) campus school classrooms

162. All Defendants had knowledge of the false and defamatory statements made in numerous Board of Trustees meetings by Defendants Brian Knotts, Terry Holt, Tara Lockett, and other Defendant Board Members, that the forced administrative leave and ultimate termination of the Plaintiff was entirely without cause.
163. The false and misleading statements related to financial mismanagement of the Plaintiff; the false and misleading information that the Plaintiff had breached the contractual agreement; the false and misleading information that the Plaintiff had accepted another job; and the false and misleading information that Plaintiff had violated board policies; are the basis of the spoken words by the Defendants to faculty, parents, other board members and to members of the public to explain the forced administrative leave and subsequent termination of the Plaintiff.
164. The intentional act by the Defendant Board Members and the letter sent to the Plaintiff that fails to state a cause for termination; produces the assumption that the Defendants forced administrative leave and termination of the Plaintiff simply to conceal financial mismanagement by the Defendants. In addition, the refusal of the Defendants to conduct a "State of the School" meeting after terminating the Plaintiff, and in the interim replacing the Plaintiff with a temporary Head of School, and increasing tuition significantly in the first year after Plaintiff's wrongful termination are all intentional acts that have followed the false and misleading statements made by the Defendants.
165. The intentional act by the Defendant Board Members to cosmetically cover mold with paint, to use "walkie talkies" to alert teachers of fire and smoke matters, and temporarily patching leaks and providing extra trash cans to collect the water dripping from the ceilings of the classrooms and daycare rooms in which children remain after the Plaintiff repeatedly reported the issues to the Defendants Board of Trustees and requested funds

for the repairs; further proves Defendants Board of Trustees and Defendants St. Luke's Episcopal Church intentionally disregarded the dilapidated conditions of the facilities which still remain in a state of disrepair, resulting in hazardous health and safety conditions that threaten the students and faculty attending the lower (Japonica) campus.

166. The Defendants to terminate the Plaintiff and denial of his contractual salary as an employee and Head of School under the terms of his contract resulted in harm to the Plaintiff and he incurred damages.
167. Defendants unlawful and discriminatory actions based in part on the age of the students and the lack of awareness of the children and parents through misinformation and neglect to provide information by the Defendants was willful and was a conscious disregard of the health and safety of the Plaintiff's children and the children of other parents enrolled on the lower campus (Japonica) of St Luke's Episcopal School.
168. The Defendant's reckless conduct toward the Plaintiff and his children as well as the other children enrolled at the lower (Japonica) campus showed conscious disregard of Plaintiff's protected rights and the Plaintiff is entitled to an award of punitive damages.
169. Pursuant to § 6-11-21 the Plaintiff seeks Punitive damages not to exceed certain limits.
- a. Except as provided in subsections (b), (d), and (j), in all civil actions where an entitlement to punitive damages shall have been established under applicable laws, no award of punitive damages shall exceed three times the compensatory damages of the party claiming punitive damages or five million dollars (\$5,000,000.00), whichever is greater.

WHEREFORE, premises considered, the Plaintiff respectfully requests this Court enter judgment against the Defendant and award damages to the Plaintiff in the amount of Five Million Dollars (\$5,000,000.00) and for any such other, further, or different relief to which he may be entitled, including punitive damages and reasonable attorney's fees and the cost of the Action.

The Defendant Board of Trustees, Church, Vestry, Rector Jamie McElroy, and Bishop Russell Kendrick's actions and presentation of false information, both spoken and written, about the character and fitness of the Plaintiff, the hazardous facilities on the lower School campus, and the financial situation of the School are a direct and proximate result to harm incurred by the Plaintiff.
177. 179. 263. Plaintiff alleges that the Defendants conspired to create the underlying counts asserted

hereinafter.

The Defendants engaged in concerted action to achieve an improper purpose or lawful purpose by unlawful means to seek revenge on Plaintiff for his lawful actions in reporting the discrepancies of the board in applying policies and procedures, in asserting the safety issues related to unsafe conditions on the lower campus and the Defendants further created a hostile environment for the Plaintiff in engaging in actions to protect himself and his legal rights under his contract.
265. The Plaintiff was not provided any explanation as to his alleged conduct that warranted his termination.
266. The Plaintiff was not afforded any information with which to modify or change any alleged conduct that may ultimately result in termination.
267. Plaintiff's termination is a prime example of a discriminatory practice within the St. Luke's Board of Trustees.
